## ABOUT ME

I am consistent, dependable, easy and eager to learn new things and hard working. I am observant and ready to attend to the needs of the people around me since I've worked as a preschool teacher and in the church as youth consultant and coordinator. I am competent and organized. I have great dedication in helping and attending to the needs of the people/clients. I can also work with minimum supervision because I can adapt easily. I take pride in what I do.
