PROFILE

I am applying for position of staff nurse. I am a flexible and compassionate employee with bedside nursing care experience and excellent interpersonal skills that can productively collaborate with the healthcare team. Also, I am seeking proficiency in assessment and improvement of professional nursing skills to deliver effective and reliable care to patients.

PROFESSIONAL EXPERIENCE

Sacred Heart Medical Center

August 2023 - March 2024

- Able to work under pressure
- Performed independent and dependent nursing interventions correctly
- Delivered nursing interventions effectively
- Built a trusting and productive relationship with patients and significant others
- Resolved patient complaints and maintained a positive environment
- Collaborated with health care professionals and other members of the institution
- Trained junior staff nurses to deliver proper care to patients
