PROFILE SUMMARY

I'm a 22-year-old web development graduate from Holy Angel University in Pampanga, Philippines. I've had my passion for web design ever since high school and I'm currently taking leaps forward to advance in my craft. Currently, I am seeking a position where I can apply my learned skills and abilities as a web development graduate. I also would like to continuously improve as a professional in the IT industry which will enable me to gradually evolve as a goal-oriented person.
