125 D. Reyes Street Brgy. Silanganan Dolores, Quezon, Philippines 4326

Highly energetic and organized carpenter with extensive experience leading projects for construction. Expertise in handling all the processes from inception to completion including material selection, techniques, tools, and equipment, quality assurance, and safety.

EXPERIENCE

On Call Carpenter

SELF-EMPLOYED

JUN 2022 – PRESENT (PHILIPPINES)

- Accurately measured and cut materials, installed siding, roofing, and framing, repaired damaged structures, and calculated needed materials. Installed insulation, trim, and finishing touches.

Carpentry

FIRST WOOD CO., LTD.

JUN 2019 – JUN 2022 (JAPAN)

Machine Operator

- Assembled and ran industrial production gear, checked for issues, made adjustments, carried out preventative maintenance, tested and calibrated equipment, and examined operational units to boost productivity and guarantee smooth functioning.

House Frame Assembler

- Assessed work for conformity with specifications, maintained tools and serviced equipment, examined wood, work environments, and supplies for faults, and cut, measured, and shaped wood using precise techniques.

Wood Filler

- Measured and cut lumber, maintained and adjusted sawmill equipment, and adhered to health and safety standards while setting up and operating saws for various tasks.

Wood Packer

- Successfully worked within tight deadlines, accurately packaging materials, inspecting items, and maintaining a clean, orderly work environment free of hazards.

Factory Worker

TYC BROTHER INC.

NOV 2014 – JAN 2017 (TAIWAN)

Vehicle Lights Assembler

- Ensured quality assurance on finished components, assembled with minimal supervision, troubleshooted and repaired machine components, aligned materials, and merged complex units, maintaining smooth operations and inventory management.

Plastic Welder

- Maintained safety using heavyweight scales, forklifts, and ultrasonic welding equipment and implemented quality control techniques while working in a fast-paced workplace.

Factory Worker

SHINI PLASTIC TECHNOLOGY INC.

SEP 2010 – SEP 2012 (TAIWAN)

TIG and MIG Welder

- Assessed welds, measured parts, and checked for defects in the soldering process, ensuring project safety by closely monitoring conditions.

Hopper Dryer Assembler

- Regularly cleaned and maintained equipment, ensuring safe working conditions and compliance with health and safety regulations, including lockout and tagout compliance.
