Tugbok, Davao City, Philippines

## PROFESSIONAL SUMMARY

---

With over eight years of practical experience in estimating and project management in construction, I specialize in producing precise tender submissions, detailed estimates, and effective project schedules. Safety is my priority, and I adhere closely to corporate policies. My technical approach ensures successful outcomes. I'm keen to contribute my expertise as a construction project manager and estimator to your organization.

## PROFESSIONAL EXPERIENCE

---

### Construction Estimator / Project Manager

September 2017-Present

R.T Quiogue Construction Corporation - Davao City, Philippines

- Ensuring precise quantity take-offs using tools like PlanSwift, I draw upon over eight years of field experience.
- I oversee project execution, communicating effectively and planning meticulously to ensure timely completion and exceed expectations.
- Collaborating with seniors and colleagues, our aim is to drive efficiency and excellence in every project, leveraging our experience to deliver exceptional results.

### Construction Management

Sept. 2015-Sept. 2017

Archen Technologies, Inc. - San Miguel Corporation - Pasig city, Philippines

- Collaborated on project planning, scheduling, and budget management to optimize resource allocation.
- Oversaw subcontractor contracts and enforced quality assurance and safety protocols.
- Contributed to progress reporting and problem-solving for successful project outcomes.

## EDUCATION

---

### Bachelor of Science in Civil Engineering

May 2011- March 2014

Jose Maria College - Davao City, Philippines
