Military employee from 2012-2020 (carpentry department), lead carpenter in military bases and participated military expos by leading to build booths/stall in military expos.

Came home for vacation from Kuwait last September 2020 (pandemic period) i wasn't able to go back in Kuwait. So i started my own business in the Philippines.

2020 GABRIEL HOME BUILDERS started, work/projects focus in cabinetry, home construction, interior design, steel fabrication, stainless and glass railings, tiles installation, paint and other home improvement related works. GABRIEL HOME BUILDERS is actively operating unto this day.

Work History

2012-02 -
2020-09

Carpenter

Kuwait National Guard, Subhan

- Planned and executed work with proper tools and materials to maximize productivity.
- Checked measurements and completed accurate cuts to prevent materials waste and maintain cost controls.
- Completed installations of building structures, trim, flooring, and cabinetry.
- Developed and implemented new processes and procedures to improve productivity and workflow.

2009-01 -
2012-01
