B1 L15 Groves of Maia Alta Antipolo City,
Rizal, Philippines 1870

I've been in the Academe for 15 years and been teaching students with special needs for 12 years already. I love to be around children and mostly been handling early intervention programs for children with Global Developmental Delay, Autism, Attention Deficit Hyperactivity Disorder, Learning Disabilities, and Down Syndrome. As a teacher, I am dedicated to provide students with the necessary tools to achieve academic success and to inspire love of learning.
