PROFILE

Dedicated nursing assistant who shows a high level of compassion to patients and their families. As a 2-year experienced nursing attendant, I can offer a gentle approach yet able to handle the physical tasks that go with the job. Capable to perform all duty and understands how to balance the needs of the patient with the needs of the organization since I am a certified Caregiver and a License Practice Nurse. Adept at monitoring and maintaining the overall health of each patient and following complex instructions from medical professionals.

EXPERIENCE
