WORK EXPERIENCE

• Welder

Metalworks

6/2014– Present Speed Velocity Gasoline Station, Calbayog City Samar PH

- Lay out, fit and fabricate various metal components such as fuel tank storage
- Welds chassis of trucks
- Truss roof structure of gasoline station
- Assert quality work by inspecting welded surfaces and structures to identify and remedial flaws.
- Interpret design by accurately taking and reading measurements to plan layout and welding procedures.
- Furnish foundation for strong structure by putting together mechanical parts with a great deal of precision.
- Consistently complete welding projects 25% faster than the average welders, resulting in greater productivity and efficiency.

• Welder

Metalworks

6/2009– 5/2014 Samar Coco Products Incorporated, Calbayog City Samar PH

- Welded small and large components such as coco oil tank storage
- Enforced strict compliance with safety procedures reducing work related accidents .
- Welded chassis of oil trucks

• Apprentice Welder

Golden Egg Farm Calbayog City Samar PH

- Successfully completed a screw conveyor system project.
- Ensured compliance with all safety protocols and guidelines for safe handling of heating equipment and metals.
- Assessed welded surfaces and structure to determine defects and perform welding procedures to resolve flaws.

SKILLS AND COMPETENCIES

Pipe Welding

Stick Welding

Arc Welding

Industrial Welding

Shielded Metal Arc Welding

Time Management

Metal Fabrication

Galvanized Metal Frames

Resource Management

CERTIFICATION

TESDA Shielded Metal Arc
Welding (SMAW) NCII

INTERESTS & HOBBIES

Cooking

Swimming

EDUCATION

Three Year Technical Education
Major in Machine Shop Technology

Tiburcio Tancinco Memorial Institute of
Science & Technology
