Skills and Abilities:

I have been practicing in the field of Neonatology since 2002 and have over 20 years of experience as a bedside nurse in a level III NICU. For the past 20 years, I have practiced as a Neonatal Nurse in both a children's hospital setting and a Level III NICU. My clinical practice is one of collaboration with the Neonatologists and we are responsible for the primary care of all patients in the unit.

- Proficient ability to handle infants with full care and safety.
- In-depth knowledge of the neonatal medical terminology and development of newborns.
- Sound knowledge of handling and working with high-tech equipment(s) such as incubators, ventilators, etc.
- Profound skills in a computer such as Word and PowerPoint
- Good communication skills both verbal and written.
- Basic Life Support provider
- Neonatal Resuscitation Program Certified
- IV Therapy workshops experienced
- Holds and has maintained valid licensure, and certifications, in good standing, in my own country
