To,
Visa Officer,
New Zealand High Commission,

RE: VISA Application going to New Zealand

To whom it may concern,

I hope this letter finds you well.

I would like to bring to your attention that I will be visiting New Zealand for a short period of time to be with my wife since we haven't been with each other for a while now.

However, I want to assure you that despite my physical presence in New Zealand, I have a standalone business in the Philippines that I manage efficiently. I have developed strong organizational and time management skills to successfully handle the responsibilities of my business.

In line with this, I can remotely manage my business throughout my said stay with the help of my parents for the meantime on my behalf.

I am looking forward to your good office to have the approval on the said visit.

Please feel free to contact me at your convenience to schedule to discuss any further details.

Thank you for your time and consideration.

Sincerely,

MARK ANGELO MATIBAG
