## Experience

### Jan 2022 - Present

FINSI | BGC, Taguig (WFH set-up)

#### PMO SUPPORT

Globe Project: CME | POWER | TRANSPORT

Oversaw the permitting and project acceptance processes for VISMIN sites, ensuring a seamless handover through effective collaboration with the cross-functional team.

Notable Achievement:

Successfully achieved 100% of monthly and yearly targets for the timely delivery of handover documents in both legal and operations.

### Mar 2021 - Dec 2021

Fiberhome Phils., Inc | Cagayan de Oro

#### Area Project Coordinator

SMART Project: TOWER AND POWER

Oversaw daily task accomplishments for personnel, managed permitting progress, monitored implementation milestones, supervised fleet card usage, coordinated driver schedules, and ensured accuracy in warehouse inbound and outbound processes. Undertook administrative responsibilities as assigned by local and national managers, maintaining a comprehensive and efficient approach to task execution.

### Aug 2018 - Jan 2021

Taiyo Yuden (Philippines) Inc. | Lapu-Lapu City, Cebu

#### Product Engineer

Coordinates process maintenance and improvement, conducts cost reduction evaluations, and oversees the revision of manufacturing standards, Process Failure Mode and Effect Analysis (PFMEA), and Control Plan documents.
