CAREER OBJECTIVES

I am looking for a Medical Technologist position with a private laboratory where my years of extensive and hands-on experience in hematology, serology, microscopy and various laboratory functions will be fully utilized. I feel as though my work ethic, responsibility, and passion would be my greatest assets for your institution.

WORK EXPERIENCE

On-call Phlebotomist, COVID-19 Swabber, and Med Tech reliever at the LN Laboratory and Diagnostic Center, Dr. Gonzales St. Tibag, 3006 Baliuag, Bulacan; *October 2019—Present.*

- ✓ Conducted blood extractions;
- ✓ Prepared and transported blood specimen for analysis;
- ✓ Performed swab procedure to collect samples for testing and handled antigen test kits according to established procedures;
- ✓ Maintained accurate patient records;
- ✓ Performed related duties such as encoding, releasing of results, and other administrative tasks; and
- ✓ Maintained a safe and clean working environment by adhering to biosafety and infection prevention control procedures.

On-the-Job Trainee at the Philippine Orthopedic Center, Maria Clara St., Sta. Mesa Heights, Quezon City; *January— April, 2020.*

- ✓ Conducted laboratory tests, procedures, and analyses to provide data for diagnosis, treatment, and prevention of disease;
- ✓ Analyzed and extracted bodily fluids like blood and urine to determine the presence of normal and abnormal components;
- ✓ Issued results and prepared reports; and
- ✓ Performed other duties as may be assigned from time to time.

On-the-Job Trainee at the Armed Forces of the Philippines Health Services Command (AFPHSC), V. Luna Ave., Diliman, Quezon City; *June— December, 2019.*

- ✓ Collected and prepared blood, urine, and tissue samples for analysis;
- ✓ Examined collected samples and identified any cell abnormalities;
- ✓ Maintained laboratory inventory levels and, if necessary, placed new orders for supplies; and
- ✓ Ensured that all tissue samples were prepared for examination.

QUALIFICATIONS

- Excellent attention to detail;
- Exceptional problem-solving and critical thinking skills;
- Excellent in both oral and written communication skills
- Dependable, honest, and fast worker;
- Demonstrates appropriate level of professionalism and customer-focused service skills;
- Able to work under pressure, extended hours, and handle multiple tasks simultaneously; and
- Able to act on initiative, identify opportunities, and proactive in putting forward ideas and solutions.
