Angeles City, Philippines

Job Description: I worked at Cutcut Elementary School from 2010 to 2022. I am the Class Adviser of Kinder Pink Class with 51 pupils. During those times, I performed different duties and responsibilities as a kindergarten teacher. I attended lots of seminars and training to develop my professional growth. I once became a resource speaker on Capacitating Teachers in Making PowerPoint Presentation and Canva App. for Kinder-Grade 3 , Developmentally Appropriate Practice Seminar Workshop for SH and Teachers, and various Trainings for Kindergarten Teachers in our Division. I was obliged to formulate a curriculum, lesson bundles, and Video lessons for my pupils. During the time of the pandemic, I was able to give the best to my pupils through video lessons, online teaching, modules, and instructional materials and even taught them educational online games. Aside from the knowledge and skills, the most important aspect that we need to develop is their character. From this, I can say that I made a difference in their lives.
