PROFESSIONAL SUMMARY

An enthusiastic Radiologic Technologist with almost (5) years of clinical experience providing radiology services to diverse groups of patients. Area of expertise focuses on Computed Tomography (CT) and Magnetic Resonance Imaging (MRI). Excellent communicator and work ethics in providing diagnostic images and high standards of patient care while maintaining professionalism within the restraints of time and workflow pressures. Proficient user of PACS and RIS

LICENSE

Registered Radiologic Technologist
Professional Regulation Commission
Credential ID: 18545

July 2018
Sampaloc, Manila, PH

CORE COMPETENCIES

- General Radiography
- Computed Tomography Scans
- Magnetic Resonance Imaging
- Extracorporeal Shock Wave Lithotripsy

WORK EXPERIENCE

Evangelista Medical Specialty Hospital - San Pedro, Laguna PH
(August 2023 to present)

- **Imaging Supervisor Trainee**
 - Manages Radiologic Technologist staff in handling and performing radiology services
 - Develops and modifies complex sequences for the department's CT and General Radiography protocols.
 - Supervises newly hired Radiologic Technologist staff; to teach, to observe, and to design relevant brief courses.
 - Ensures enough manpower for staffing and scheduling of Radiologic Technologist staff on a bi-weekly basis.
 - Establishes an automated Microsoft Excel log sheet for the monitoring of inventory of stocks.
 - Assures high-quality images produced by the Radiologic Technologist staff in performing radiology services.
 - Ensures that the World Health Organization's (WHO) infection control precautions implemented by the Department of Health (DOH) locally are strictly followed by the Clinical Imaging staff.

Healthway QualiMed Hospital - Sta. Rosa Sta. Rosa, Laguna, PH

- **Radiology Team Leader**
(May 2021 to August 21, 2023)
 - Manages Radiologic Technologist staff in handling and performing radiology services to non-COVID-19 and COVID-19 cases.
 - Performs non-contrast and contrast enhanced Computed Tomography (CT) scans and Magnetic Resonance Imaging (MRI) studies.
 - Develops and modifies complex sequences for the department's CT and MRI protocols.
 - Supervises newly hired Radiologic Technologist staff; to teach, to observe, and to design relevant brief courses.
 - Ensures enough manpower for staffing and scheduling of Radiologic Technologist staff on a bi-weekly basis.
 - Establishes an automated Microsoft Excel log sheet for the monitoring of inventory of stocks.
 - Assures high-quality images produced by the Radiologic Technologist staff in performing radiology services.

- Ensures that the World Health Organization's (WHO) infection control precautions implemented by the Department of Health (DOH) locally are strictly followed by the Radiology Department's staff.

- **Radiologic Technologist**
(January 2019 to May 2021)

- Accomplishes 35 to 40 radiology services per shift to diverse groups of patients including new-born, infants, children, adults, and elderly on a 102-bed capacity secondary general hospital.
 - Organises schedules of outpatients and inpatients on procedures that will be catered on a day-to-day basis.
 - Performs a broad range of diagnostic imaging modalities, namely: Computed Radiography (CR), Digital Radiography (DR) and Computed Tomography (CT) scan; and Magnetic Resonance Imaging (MRI).
 - Implements radiation protection and safety standards on patients and staff applying the ALARA principle.
 - Utilises Hospital Information System (HIS), Radiology Information System (RIS), and Picture Archiving Communication System (PACS) without supervision.
 - Prepares the materials needed on special procedures, mostly contrast enhanced procedures without supervision.
 - Performs daily routine calibration of the following machines: Computed Radiography (CR), Digital Radiography (DR), Computed Tomography (CT), and Magnetic Resonance Imaging (MRI)
 - Maintains the cleanliness of the work area and examination rooms at all times.

MACHINES OPERATING

Siemens

- Magnetom Essenza 1.5T (MRI)
- Somatom Perspective 128-slice (CT)
- Somatom Go Up 64-slice (CT)
- Multix Select (DR)
- SG Healthcare (DR)
- Siremobil Compact L (CR)
- Modularis Variostar (ESWL)

EDUCATION

Bachelor of Science in Radiologic Technology March 2015 University of Perpetual Help - Dr. Jose G. Tamayo Medical University Biñan, Laguna, PH

CLINICAL EXPERIENCE

SENIOR INTERNSHIP:

UPH - DR. JOSE G. TAMAYO MEDICAL CENTER

Nuclear Medicine Section
Department of Radiological Sciences
Sto. Niño, Biñan, Laguna

November 2014 - March 2015

STA. ROSA COMMUNITY HOSPITAL

Department of Radiological Sciences
LM Subdivision, Sta. Rosa, Laguna
March 16, 2015 - May 2015

JUNIOR INTERNSHIP:

EAST AVENUE MEDICAL CENTER

Department of Radiological Sciences
East Avenue, Diliman, Quezon City
June 2014 - November 2014

PERSONAL INFORMATION

Birth Date: July 24, 1995
Height: 5'3

Civil Status: Single **Age:** 28
Language: Tagalog, English

Religion: Roman Catholic
Weight: 63 Kg
