## LICENSED CIVIL ENGINEER

### PROFESSIONAL SUMMARY

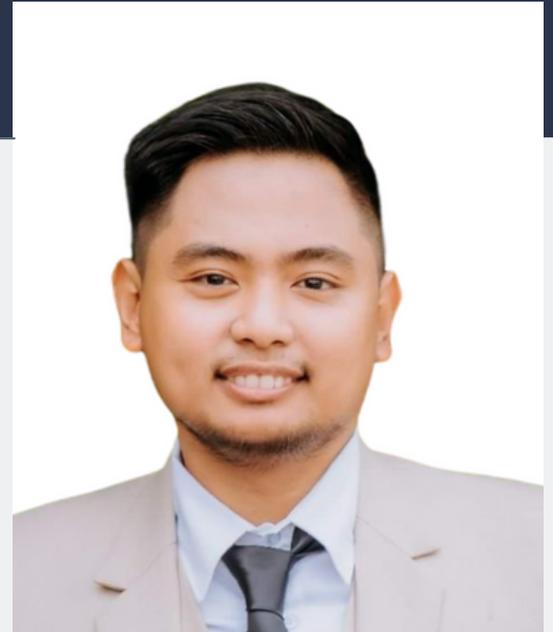

Hello, I am Redan, a civil engineer specializing in construction, repairs, and maintenance. Over the years, I have managed a diverse range of projects, from residential to commercial and industrial. As a natural leader, I am passionate about sharing my experiences with others to inspire them to pursue their goals. With my problem-solving skills, I believe that every challenge has a solution waiting to be discovered.

To stay current in my field, I attend various seminars and workshops that expand my knowledge and wisdom. I enjoy learning from others and using this knowledge to enhance my professional growth. As a Junior Manager, I am excited to take on new challenges and achieve my lifelong goal of self-improvement. Each day, I strive to become a better version of myself than I was yesterday, and I am confident that I can make a positive impact on those around me.
