

MARIZON AGTARAP

Philippines · +639636328372 agtarapmarizon27@gmail.com

Motivated, experienced production worker hopes to take the next step in my career. Seeking position in a fast-paced production environment to develop new skills. Am willing to learn new processing and manufacturing techniques and enjoy working as part of a team.

JAN 2022 – CURRENT

FARMING ASSISTANT, MY FATHERS FARM, CAGAYAN VALLEY

- Watered plants during growing seasons and closely monitored crops for growth progress or issues.
- Identified weeds, pests and plants to determine application and selection of fertilizers and pesticides.
- Planted crops in fields, helping farmers distribute seeds and plan harvesting schedules.
- Tended to crops such as fruit trees, vegetable plants, medicinal plants and herbs.

JAN 2020 – DEC 2021

VOLUNTEER MIDWIFE, LYING IN CLINIC, PASIG CITY

- Watched vital signs, checked for comfort levels and monitored emotional states of mothers before, during and after labor.
- Met with mothers to design individualized birth plans in terms of health concerns, birthing desires and potential problems.
- Promoted benefits of breastfeeding and offered education on proper positioning, latching and breast care.
- Used massage to increase patient comfort and streamline birthing processes.
- Checked general and mental health and overall comfort of mothers in prenatal appointments.
- Worked to maintain outstanding attendance record, consistently arriving to work ready to start immediately.

JUL 2017 – NOV 2019

FACTORY PRODUCTION WORKER, POWER TECHNOLOGY INCORPORATION HSHINCHU

- Documented production information via daily system logs and discussed issues with management.
- Monitored machinery to identify concerns, make corrections or report complex problems.
- Calibrated and repaired machinery and equipment.

- Unloaded and loaded items from conveyors, machines and conveyances.
- Supported production needs by performing routine tasks using standard procedures and equipment.
- Weighed and measured items to prevent waste and meet quality standards.
- Participated in training sessions to enhance skills and knowledge.

DEC 2013 – JUN 2016

MACHINE OPERATOR, MOTECH INDUSTRIES INCORPORATION, TAOYUAN

- Followed tooling instructions and product specifications to determine and implement operational sequences.
- Calibrated, tested and adjusted machine settings or controls in preparation for production operations.
- Monitored machines during operation to detect sounds of malfunction or excessive vibration and adjusted machines to eliminate problems.
- Operated machining equipment safely with team of operators.
- Set up and ran machinery to produce exceptional products for industrial needs. Maintained organized work area by cleaning and removing hazards.
- Examined incoming materials and compared to documentation for accuracy and quality.
- Inspected products and machines to maintain quality and efficiency.
