CERTIFICATE OF PROFESSIONAL REFERENCE

TO WHOM IT MAY CONCERN:

It is a great pleasure that I recommend **Mrs. Maria Flor Haspe Suaiso** for a responsible position in your nursing department, she worked in our institution from March 13, 2017 to March 31, 2019. I am one of her mentor and my assistant in Dermatology Department in Al Qimmah Clinic, Dhahran KSA.

During her tenure I have been immensely awestruck with her ability in dealing with patients. She has the requisite qualification and knowledge that is expected of every nurse.

She is intelligent, patient, good listener, has a pleasing personality and above all is a person of integrity. It needs a special mention of her humanitarian nature which has been the reason why she achieved many milestones during her stay in this institution.

I recommend to you a genuinely talented lady who is a perfect fit for a position of registered nurse in your institution.
