Experience

WELDER

2013-present

I am responsible for assembling pieces of metal together or repairing damage in metal components using heavy machinery that emits high heat, melting the metal into shape.

ELECTRICIAN

2013-present

I install and maintain wiring, control, and lighting systems. I also inspect electrical components, such as transformers and circuit breakers. Identify electrical problems using a variety of testing devices. Repair or replace wiring, equipment, or fixtures using handtools and power tools.

Certification

- National Certification II (NCII) in Electrical Installation and Maintenance
- National Certification II (NCII) in Shielded Metal Arc Welding
