- In charge for the water and wastewater processes inside the Manufacturing Facility which includes quality control and treatment optimization.
- Leads technical personnel and trains new personnel regarding the water and wastewater process.
- Decommissioned the water and wastewater treatment systems.

EXPERTISE

Functional

- Laboratory Information Management Systems (LabVantage)
- Laboratory Instrumentation (ICP, UV-Vis, etc.)
- Quality Assurance and Control
- ISO 90001, 14001, 45001 ad 17025; cGMP

Industry

- FDA Regulated Industries (Drugs, Cosmetics, Food, Medical Devices and Household Hazardous)
- Water and Wastewater
- Testing, Inspection and Certification
- Manufacturing
