Summary

Experienced in CNC Optical Profile Grinding with over 10 years of experience in the Manufacturing Engineering industry. Excellent reputation for solving problems and improving customer satisfaction. To seek and maintain a full time position that offers professional challenges utilizing interpersonal skills, excellent time management and problem solving skills. Motivated employee learns quickly in fast-paced, high volume environments. Consistently adheres to safety standards. Maintain open availability and flexibility to work various shifts.

Work Experience

SDI Corporation | Changhua City, Changhua Taiwan

Optical Profile Grinding Machinist | October 2013 - Present

- * Read and interpret engineering drawings and blueprints.
- * Set up and adjust production machinery tools.
- * Fit and assemble components and machine parts to tight tolerance.
- * Maintain, repair and calibrate precision measuring instruments.
- * Use precise measuring instruments to check the workpiece size with the use of micrometer and vernier caliper.
- * Compute the dimensions and tolerances, as well as measure and lay out work pieces.
- * Use precision measuring instruments to check the product dimensions for accuracy and conformance.

Oriental Tin Can Mfg. | Quezon City, Novaliches Philippines

Conventional Milling and Lathe Machinist | October 2011 - August 2013

- * Operates and maintains lathe and milling machines.
- * Reviews drawings, instructions, blueprints or samples to ensure accurate production.
- * Takes precise measurements for cutting or shaping.
- * Selects appropriate machines and settings for a given task.
- * Set up and adjust production machinery tools.
- * Use precise measuring instruments to check the workpiece size with the use of micrometer and vernier caliper.
- * Work the material with the exact size needed in the plan.
- * After finishing the piece make sure it is in exact size before giving in the next process.

Tinbox | Quezon City, Novaliches Philippines

Seamer Machine Operator | September 2010 - September 2011

- * **Operating seamer machine to put ring and bottom ring in a can with exact size needed.**
- * **Worked within applicable standards, policies and regulatory guidelines to promote a safe working environment.**

Skills

- * **CAD 2D Plan Reader**
- * **Plan Programming**
- * **Computer Literate**
- * **Grinding Machines**
- * **Reading Precision Instruments**
- * **Hand Tools**
- * **Drilling**
- * **Material Selection**
- * **CNC Machine Operation**
- * **Visual Inspection**

Certificates

Certificate of Appreciation

Seminar and Training Attended

Refrigeration and Air-conditioning Servicing nc ii

Education

**Virgen Milagrosa University Foundation
San Carlos City, Pangasinan
Bachelor of Science in Mechanical Engineering (April 2005 - April 2010)**
