## **PROFESSIONAL SUMMARY**

An enthusiastic, resilient, creative, resourceful, honest, and optimistic teacher who possesses multifold experiences in the teaching field: as a teacher inside the classroom, as a coach in contests, facilitator/resource speaker in a seminar/training and as a demonstration teacher in a seminar. With these qualities and experiences, I always believed in education as truly a continuous process. A desire for something new that will transform me to be better and let me grow professionally will always be my motivation to move forward and to selflessly impart what I have to children and hone them to become the best of what they can be is my lifelong commitment.
