- Power tools and hand tools can operate welding machines, drill press, grinder, band saw, meter tape, caliper, level bar clamp and etc.
- with know how to use crane to lift and move the products or the materials.

**SPECIAL SKILLS:**

Endurance

Able to move materials weighting- located 6 feet in height.

Concentration

Critical thinking and problem solving

Welding and fitting

Team player

Steady Hand

Critical thinking

Problem solving

Hand-Eye Coordination

Can read and interpret drawings (Blueprint)

**TRAINING AND SEMINARS ATTENDED:**

SMAW NCII training certificate

GTAW NCII training certificate

**EDUCATIONAL ATTAINMENT:**

Vocational / Short course : Shielded metal arc welding  
School : Machjo vocational training center and computer services  
: Tanza, Cavite Philippines
