## OBJECTIVE

---

Seeking a position as a skilled cabinet maker where I can utilize my expertise in woodworking and craftsmanship to create high-quality custom cabinets. Committed to precision, attention to detail, and delivering exceptional customer satisfaction.

## WORK EXPERIENCE

---

- **D'BECCA FURNITURES and FIXTURES** 2020- PRESENT  
Fabricator and Installer
  - Reading and interpreting blueprints, sketches, and design plans.
  - Selecting and sourcing appropriate materials for each project.
  - Operating and maintaining woodworking tools and machinery.
  - Ensuring accuracy and precision in measurements and cuts.
  - Constructing and installing cabinets, shelves, and other custom woodwork according to specifications.
- **City Engineering's Office (LGU)** 2019-2020  
Road concreting Laborer
  - Assisting in the preparation of the work area by removing debris, rocks, and other obstacles.
  - Assisting in the mixing of concrete materials, which may include cement, aggregates, water, and additives.
  - Assisting in the pouring and spreading of concrete onto the designated area, ensuring an even and consistent distribution.
- **SM Mall** 2015-2018  
Sales Representative
  - Actively engaging with customers to promote and sell products or services offered by the mall's retailers. Demonstrating product features, explaining pricing and discounts, and upselling or cross-selling related items.
