PROFESSIONAL SUMMARY

Highly motivated nurse assistant for health care support. Highly skilled with patient care handling, both pediatric and geriatrics patients and eager to expand my experience by contributing in maintaining quality and efficient level of wellness.

EXPERIENCE

Nursing Assistant

June 2023 – Present

Wellcare Clinics and Laboratories, Inc

Clinical Department

- Assists with routine health measures towards accommodating both geriatric and pediatric patients, as appropriate to training and/or certification.
- Collects, screens, interviews, and records patient's information, as well as takes vital signs and initial health assessment of the patient and endorse properly to the In-Clinic physicians and specialists as appropriate to clinic operations.
- Performs diagnostic and technical procedures, such as setting up and operating Electrocardiogram medical equipment and properly attach electrodes to their right placements while effectively communicating health standards to the patient.
- Acquires and verifies patient billing information, as appropriate to the activities of the department; processes patient accounts, and maintains confidentiality of records.
- Determine the nature and urgency of inquiry, refers calls as appropriate, and/or schedules appointments with attending physicians and specialists; instructs patients as needed regarding with the administrative and/or logistical procedures.

Operating Room Department

- Assists in performing surgical measures alongside the surgeon and the nurse in charge. Maintained collegial/working relationships with nursing staff and of the physician to ensure quality patient care and communicates effectively with the patient, before and after the cataract removal procedure.
- Position and prepare patient on operating table while adhering to safety standards and precautions.
- Supports and verifies clients' information for their health claim benefits before and after surgical operation.

Caregiver Intern

December 2022

Ang Bahay Parola (Grace Home), Bacoor Cavite

- Provided activities for all growing children with helping them in their school works. Initiated activities every leisure time, and master concepts through active learning.
- Assisted the children, aged 7 and below with their scheduled tasks such as bathing, housekeeping, preparing their meals and medications, and providing timely reports with the resident foster parent to keep them updated on the children's well-being.

Caregiver Intern

November 2022

Prime Global Care Medical Center Inc., Bacoor Cavite

- Gathering information of incoming patients, including their health complaints and their vital signs, and disclosing the information to the staff nurse to proceed with their health evaluation with the attending physician while following the hospital's regulations and policy.
- Administered intramuscular and intradermal injections to the out-patients including antibiotics as prescribed by attending physicians with the supervision of the staff nurse.
- Assisted with cleaning and dressing of as proper to the health standards.

Caregiver Intern
