2. College Lecturer | STI College Batangas August 2022 - J u n e 2 0 2 3

- Capstone Design Project Coordinator and Adviser
- Teaching Subjects -

(1st -semester, Operating System, Software Engineering, Fundamentals of Mixed Signals and Sensor, Methods of Research, Capstone Design Project I, Computer Engineering as a Discipline, Advance Computer Animation)

(2nd - semester, Introduction to Hardware Language Description, Digital Signal Processing, Management Information System, Artificial Intelligence, Programming Language, Basic Computer Productivity Tools, Engineering Data Analysis, Capstone Design Project I, Capstone Design Project II)

- **Seminars, Training and Certifications HKNL 2023 | Sophie's Information Technology Inc.** February 18, 2023

1. The Philippine National Computer Emergency Response Team – NCERT or CERT-PH
2. So, you think you are safe. A practical and candid conversation on security essentials.
3. What cybersecurity means today: Over rated and under-rated skills, technologies, and job roles.
4. Information Security and Cyber Security
5. Role of Cyber Threat Intelligence in Cybersecurity
6. Cross Site Scripting (XSS)

- **On the Job Training (2020) Converge (MMCS) |** Moog Building Calicanto, Batangas City

- **(TESDA ONLINE COURSE)**

1. Computer System Servicing (2020)
2. Introduction to CSS
3. Setting Up Computer Networks
4. Setting Up Computer Servers
5. Installing and Configuring Computer Systems
6. Maintaining Computer Systems and Networks

- **21st Century Skills/Communication**

1. Receiving and Responding to Workplace Communication
2. Participating in Workplace Communication

- **Effective Communication/Coordination Seminar |** October 29, 2020

- **Quality Management System |** November 2020

- **Customer Service at the New Normal |** November 10, 2020

- **Network and Security Technical Training |** February 15, 2021

- **Introduction to Arduino and Mobile Application Development for Students (2019) |** STI College Batangas
Engr. Roberto Maximo I. Cenidoza

- **The IT in ICT” an opportunity to an ever changing world (2018) |** STI College Batangas

MobileApplication: AppIT!”, “Entrepreneur: The How’s & What’s of anITpreneur”,and“Database: Big Data”.

- **12th Information Technology Innovation Congress: Gearing** towards ASEAN Integration (2019) Held at
Tanghalang Pasigueño, Pasig City.

- **Skills**

1. Computer Networking (LAN / WLAN, IP Config, Router)
2. Setting up wi-fi systems upon install.
3. MS Office
4. Java
5. My SQL
6. Visual Basic Programming
7. Computer Hardware
8. Computer Drafting
9. Systems Analysis and Design
10. Arduino
11. Technical Troubleshooting
12. Hardware Configurations
13. Problem Diagnosis
14. Phone & Online Support Customer Service Complaint Hand
