

Dexyl Birog

Virtual Assistant

I am very organized, adaptable, motivated, detail-oriented, and willing to learn new skills and advance professionally. I have an exceptional ability to remember new information and comprehend new ideas. I am eager to investigate a wide range of alternatives that will allow me to realize my full potential and add value to your organization by offering exceptional and satisfying services.

Experience

Fraser's Mathematic Solutions | December 2023

Email / SMS Marketing Campaign

Crafting compelling email campaigns and engaging SMS promotions for Fraser's Mathematic Solution to captivate and educate our audience, delivering mathematical excellence directly to their inboxes and phones.

Pick a Path | November 2023

Social Media Manager & Content Designer

Crafting visually captivating graphics and compelling copy to showcase our career empowerment services, driving engagement and inspiring professionals to embark on a journey of success through personalized guidance, enriching resources, and powerful tools.

Cloud Nine Hoodie | November 2023

Part-time Blog Writer

Crafting a compelling blog post that explores the symbiotic relationship between anxiety relief and the comfort of a stress ball hidden in the pocket of your favorite hoodie, offering readers practical insights on finding solace in everyday wear.

My Tribe Essentials | October 2023

Social Media Content Designer

Crafting captivating visuals and engaging copy to illuminate the essence of our scented candles, transforming each post into a sensory journey that resonates with our audience's desire for tranquility and warmth.

Effective Building and Consultancy | June- July 2023

Part-time Blog Writer

I write engaging and informative blog posts that educate readers on topics like fire damage, assessment, insurance claim reviews, and safety measures for concrete structures in the building assessment and insurance claim industry.

The Bay Self Drive Car Hire | June 2023

Part-time Blog Writer | Graphic Designer

As a versatile blog writer and skilled graphic designer, I craft captivating and informative content for a leading car rental company, combining my expertise in the car hire industry to deliver valuable insights and tips for customers seeking to rent cars.

Kenia Commerce | May - June 2023

Product Research

Checking EAN's using bol tool to find profitable products.
