DEAR MA'AM / SIR,

I am writing to express my interest in the position that will allow me to showcase my talent and skills. As a recent Civil Engineering graduate with a focus on Construction Engineering and Management from the Technological Institute of the Philippines, I am eager to bring my academic background and enthusiasm for engineering to your team.

### Key strengths include:

**Educational Foundation:** Equipped with a solid understanding of engineering principles gained through coursework.

**Adaptability:** quick learner with a demonstrated ability to grasp new concepts and technologies.

**Team Collaboration:** Effective communicator, developed through group projects, ready to contribute to a team-oriented environment.

I am enthusiastic about contributing my skills to your projects and learning from experienced professionals.

Thank you for considering my application.

Sincerely,

Renaldine Alabado Jaictin
