## WORK EXPERIENCE

### **MEDICAL TECHNOLOGIST**

City Government of Davao - Marilog District Hospital

April 2021 - Present

- Accept specimen for processing; release laboratory results
- Skillfully performing venipuncture and capillary blood collection, ensuring patient comfort and proper collection
- Analyzes microscopic blood, urine, feces, and other body fluids
- Conducts technical procedures related to the counting and identification of blood cells
- Performs nasopharyngeal swabbing for Covid-19 testing

### **NEWBORN SCREENING COORDINATOR**

City Government of Davao - Marilog District Hospital

January 2022 - Present

- Performs proper collection of newborn screening samples
- Maintain a log to track newborn screening specimens collected and sent, and to document test results
- Establish a protocol for monitoring demographic data, blood collection quality, and timeliness of specimen submission

### **HEMATOLOGY SECTION HEAD**

Kabacan Polymedic Cooperative Hospital

January 2020 - April 2021

- Conducts technical procedures related to the counting and identification of blood cells
- Verifies accuracy of findings, identifies test inconsistencies, and takes proper action to make corrections and resolve problems
- Perform and oversee screening lab proficiency testing for reporting to accreditation agencies.
- Assist with the evaluation and parallel testing of new QC material and cross-check on new lot numbers of reagents.
- Troubleshoot instrument problems, make minor repairs, and contact service companies.
- Performs routine quality control and calibration of different equipment

### **MEDICAL TECHNOLOGIST**

Kabacan Polymedic Cooperative Hospital

January 2019 - April 2021

- Skillfully performing venipuncture and capillary blood collection, ensuring patient comfort and proper collection
- Analyzes microscopic blood, urine, feces, and other body fluid
- Performing all laboratory procedures as indicated in the schedule
- Performs routine Blood Banking procedures
- Responsible for collecting blood during blood donations, screening collected blood from donors, and for blood component separation into packed RBC
- Monitoring of daily and monthly blood availability
- Calibration and performing standard tests on the machines used for analytical testing
- Perform Quality Control on machines before the performance test procedures
- Following established protocols and maintaining compliance with safety standards and regulatory guidelines

---

## SKILLS SUMMARY

- Knowledgeable in handling and troubleshooting the following equipment:
  - A. Hematology:
    1. Sysmex XS - 1000i
    2. Sysmex KX - 21
    3. Genrui KT - 6610
  - B. Clinical Chemistry:
    1. Dialab Autolyser
    2. ILab Aries
    3. ST - 200 Pro (Electrolytes)
    4. SmartLyte Plus (Electrolytes)
  - C. Serology:
    1. Finecare Wondfo - FS 113
  - Knowledgeable of manual laboratory procedures such as:
    1. Manual Differential Count
    2. Crossmatching
    3. Urinalysis
  - Exceptional organizational skills and attention to detail
  - Understand and carry out oral and written policies and procedures
  - Willingness to work in a team

---

## CERTIFICATIONS

**INTERNATIONAL MEDICAL LABORATORY SCIENTIST (ASCPi)**  
Passed 2023 | ASCPi Board of Certification

**MEDICAL TECHNOLOGIST LICENSURE EXAM (MTLE)**  
Passed 2018 | Professional Regulations Commission

---

## EDUCATION

**BACHELOR IN MEDICAL LABORATORY SCIENCE**  
University of Immaculate Conception | 2018

---

## TRAININGS AND SEMINARS

**TRAINING ON HANSEN'S DISEASE**

June 8, 2022

**TB and DM: A PERFECT STORM**

May 25, 2022

**DENGUE LECTURE SERIES**

May 19, 2022

**57th PAMET ANNUAL CONVENTION**

December 1-4, 2021

**18th PAMET SOUTHERN LUZON REGIONAL CONFERENCE**

November 20, 2021

**19th NEWBORN SCREENING VIRTUAL CONVENTION**

October 6-7, 2021

**PRE-CONVENTION OF 19th NEWBORN SCREENING VIRTUAL CONVENTION**

October 5, 2021

**NEWBORN SCREENING TRAINING**

August 31, 2021

**TRAINING ON SKIN SLIT SMEAR**

May 25, 2021

**FUNDAMENTALS OF QUALITY ASSURANCE IN CLINICAL CHEMISTRY**

May 21, 2021

**NEQAS CC FORUM**

April 13, 2021

---

ADDITIONAL TRAININGS  
(INTERNSHIP)

**SOCSARGEN COUNTY HOSPITAL**

Clinical Chemistry Section Intern | General Santos City, PH  
August 2017 - September 2017

**SOUTHERN PHILIPPINES MEDICAL CENTER**

Hematology Section Intern | Davao City, PH  
September 2017 - October 2017

**DAVAO REGIONAL MEDICAL CENTER**

Blood Banking Section Intern | Tagum City, PH  
October 2017 - November 2017

**DAVAO REGIONAL MEDICAL CENTER**

Clinical Microbiology | Tagum City, PH  
November 2017 - December 2017

**SOUTHERN PHILIPPINES MEDICAL CENTER**

Histopathology with Cytopathology Section Intern | Davao City, PH  
December 2017 - January 2018

**THE MEDICAL CITY**

Molecular and Special Diagnostic Section Intern | Pasig City, PH  
January 2018 - February 2018

**BBROKESHIRE INTEGRATED HEALTH MINISTRIES, INC.**

Clinical Microscopy Section Intern | Davao City, PH  
February 2018 - March 2018

---
