

Ivan Dares Coprada Espia

Block 20, Lot 21, Phase 2, Madrid Street, Springfield View Subdivision, Barangay Sahud Ulan, Tanza, Cavite, Philippines 4108
+639166620102, +639696221873 | ivanespia5@gmail.com

Summary of Qualification

2 years of comprehensive experience in manufacturing and production environments, with a focus on industrial material handling and efficient production processes. Proficient in operating advanced machinery including **CNC machines and water jet cutting machines**, with a strong ability to handle a variety of materials such as **stones, granite, ACP boards, plywood, and MDF boards**. Demonstrated expertise in **Plastic Moulding Injection**, showcasing versatility and technical skills in different aspects of manufacturing.

- Plastic Injection Moulding
- CNC machine cutting
- Water Jet cutting
- Control of Raw Materials (Resin)
- Kaizen (Cont. Improvement)
- Microsoft Excel Computations
- Saw Machine Cutting
- Alphacam (CNC)
- Autocad Drafting CAD
- Chemical Handling
- Hopper Dryer Machine
- Sketchup 3D Modeling
- Critical Defect Prevention
- Microsoft Office
- Fabrication Skills
- 5 'S
- Data Entry Skills
- Machine Preventive Maintenance

Experience

Production Engineer / Plastic Moulding Machine Operator

Nichivi Philippines Corporation

April 2023 to Present

1 Year

Summary of Responsibilities:

- Ensuring good start up and shut down of plastic injection molding machines.
- Ensuring high quality plastic product output.
- Conduct routine inspections, troubleshooting, and maintenance tasks to minimize production downtime.
