PROFESSIONAL SUMMARY

Adaptive Employee with a good foundation built from construction to calibration and services industry experience. Continuously honing skills to attain career growth and personal development. Quick learner and diligent worker with strong time management, attention to detail, self-driven, and communication skills.

WORK EXPERIENCE

June 2018
PRESENT

SERVICE ENGINEER

Consen Engineering Pte Ltd. | WCEGA Plaza, Singapore, 658064

- Complies to Quality System ISO 9001:2015 and OHS System ISO 45001:2018.
- Authorized channel partner and provide aftersales first-line technical support and diagnostics for distributed products of several brands in the region:
 - **HONEYWELL**
 - Field instruments and process control solutions
 - **LASER DIAGNOSTIC INSTRUMENTS (LDI)**
 - Remote Oil Watcher (ROW)
 - **FRESH-AIRE UV**
 - Industrial/Commercial UV Lights
 - **COLTRACO Ultrasonics**
 - Portable & Fixed Ultrasonic flow and level meters
 - **DEGA**
 - Gas and Fire Detectors System
- Total Plant Maintenance and ad-hoc support at **Advario Singapore Chemical Pte Ltd** (formerly Oiltanking Singapore Chemical Storage)
- Perform field and bench calibration and installation services for all brands and types of conventional and wireless field instruments.
- Appointed as Management Rep. for ISO implementation

Key Projects/Assignments:

- **Petrochemical Complex Singapore – SDM 2018**
- monitor switches calibration team (*Honeywell* support)
- **Petrochemical Complex Singapore – SDM 2023**
- monitor switches calibration lead (*Honeywell* support)
- **GlaxoSmithKline** (Biologicals, Tuas)
- routine calibration jobs for utilities system
- **Takeda Manufacturing Singapore Pte Ltd**
- contingent labour for calibration support
- **Celanese Singapore Pte Ltd.**
- E&I manpower support for plant unit turnaround

SKILLS & QUALIFICATIONS

Calibration & Configuration

Device testing & diagnostics

D.E. & H.A.R.T. protocol acquainted

Cable glanding & wire termination

Diagram/Drawing interpretation

Blue Mountain R.A.M. acquainted

Knowledgeable in Microsoft Office

Documentation

Customer relation abilities

Safety-conscious & Strong work ethics

Clean driving record (SG D.L. Class 3)

CERTIFICATIONS

2015

NATIONAL CERTIFICATE II (NC2)
Instrumentation and Control Servicing
Technical Education and Skills
Development Authority (TESDA)

TRAININGS

2019

Micro Motion Coriolis Meter Course No. 2358
Emerson Process Management (Singapore)

2018

WSQ Apply Workplace Safety and Health in Process Plant
Avanta Global Pte Ltd. (Singapore)

2018

Work-At-Height Course for Workers
QMT Industrial & Safety Pte Ltd.
(Singapore)

2018

Pressure and Temperature Instrument for Field Service Engineers
Peritia Consultancy (Singapore)

May 2016 | **TECHNICAL REPRESENTATIVE**
June 2018 | Welltech Service Corporation | Manila, Philippines

- Complies to Quality and Calibration System Procedures both for ISO 9001:2015 and ISO 17025.
- Perform maintenance of standard instruments and equipment as per schedule.
- Perform Field/Bench Calibration of process control instruments.
- Record and maintain accurate data readings of calibration on *raw data* (calibration datasheet)
- Preparation of service reports and work progress.

Key Projects/Accomplishments:

- Maintenance Coordinator for pharmaceuticals accounts: (Philippines)
 - ◆ **UNILAB Inc.**
 - ◆ **Asian Antibiotics Inc.**
- Key calibration projects assignments: (Philippines)
 - ◆ **Sarangani Energy Corporation** – Maasim, Sarangani
 - ◆ **Nestle Philippines Inc.** – Cagayan de Oro
 - ◆ **Therma Marine Inc.** – Nasipit, Agusan del Norte
 - ◆ **Therma Marine Inc.** – Maco, Compostella Valley
 - ◆ **DMCI Sem-Calaca Power Corp. UNIT 2** – Calaca, Batangas
 - ◆ **Team Energy Corp.** Pagbilao, Quezon

June 2015 | **ELECTRICIAN (A)** (Project Based)
April 2016 | Atlantic Gulf & Pacific | Batangas, Philippines

Project:

**ICHTHYS LNG Facilities Project:
AG&P Fabrication of LER/LIR Modules**

- Cable pulling of pair signal cable from Field Instrument to Field Junction Box (JB) and pulling of multi-pair and multi-core cable from Field Junction Box to Marshalling Cabinet as per *cable schedule drawing*.
- In charge of cable glanding, cable termination, core marking, and cable dressing as per *termination details drawing*
- Assist to instrumentation fitter during the installation of junction box (JB) and installation of cable tray as per *cable route layout drawing*.
- Ensuring the “*Issue for construction drawing*” (IFC) is updated and within the latest revisions to avoid discrepancies during installation, i.e., *Piping & Instrumentation Diagram (P&ID)*, *Instrument Loop Drawing (ILD)*, *Hook-up diagram*, *Instrument Datasheet (IDS)*, etc.
- Assist commissioning engineers during loop commissioning and testing of systems and subsystem equipment.

EDUCATION

April 2015 | **Bachelor of Industrial Technology**
Major in Instrumentation and Control Technology
Batangas State University | Batangas City, Philippines

TRAININGS (cont.)

2015

- AG&P Training Passport** (Philippines)
- Barrier Gland Training (CMP)
 - Cable Glanding (CMP) & Wire Termination

2014

- Installation and Calibration of Pressure Instruments**
Calbridge Technical Training (Philippines)

AWARDS

28 June 2019

SPOT AWARD

Token of appreciation for initiative and courage to take on additional responsibilities.

28 October 2020

SPOT AWARD

Awarded for initiative and willingness to shoulder extra responsibilities for spearheading and successfully accomplished the following events:

- ISO9001, ISO45001, and bizSafe Star certification
- Revamping of Company’s Website

PERSONAL INFORMATION

Birthdate : June 4, 1995
Age : 28
Marital Status : Married
Height : 171 cm (5’7)
Weight : 198 lbs (90kg)
