

ROMMEL C. VERGANIO

Date of Birth: January 22, 1981

Address: 56 Camp 8, Kennon Road, Baguio City

Job Title: Medical Technologist IV

Status: Permanent

Email address: rcverganio@gmail.com

Educational Background

Elementary Level

Name of School: Paykek Elementary School - Kapangan, Benguet, Philippines

Graduated Primary Education in the year 1994.

Secondary Level

Name of School: Saint Theresita's High School - Kapangan, Benguet, Philippines

Graduated Secondary Education in the year 1998.

College Level

- Name of School: Saint Louis University Baguio City, Philippines
Graduated (**Associate in Health Science Education**) in the year 2000.
- Name of School: Saint Louis University Baguio City, Philippines
Graduated (**Bachelor of Science in Medical Technology**) in the year 2002.
- Name of School: University of Baguio Baguio City, Philippines
Graduated (**Masters in Public Administration**) in the year ongoing.

Membership to Societies

- BioRisk Association of the Philippines February, 2022 up to present
Vice-President BRAP Baguio-CAR Council

Committees

- **Biorisk Management Committee (Chair)**
Baguio General Hospital and Medical Center
January, 2023 up to present
- **Infection Prevention Control Committee (Member)**
Baguio General Hospital and Medical Center
January, 2024 up to present
- **Patient Safety Committee (Member)**
Baguio General Hospital and Medical Center
January, 2021 up to present
- **Bids and Awards Committee (TWG)**
Baguio General Hospital and Medical Center
January, 2023 up to present

➤ **Bids and Awards Committee (TWG)**

Department of Health

January, 2023 to December, 2023

Researches

- **“A multi-national, randomized, double-blind, placebo-controlled phase III clinical study to evaluate the efficacy, safety and immunogenicity of SARS-Cov-2 Vaccine (Vero Cells), inactivated for the prevention of COVID-19 in healthy adults aged 18 years and older”**
- **Genomic Epidemiology of COVID-19 in the Philippines**

Training Background

- *A Lean Six Sigma Yellow Belt Certification Online Training Program*
Conducted by Asian Institute of Management
(November 17, to 29, 2022)
- *Biosecurity Risk Assessment and Mitigation Training Phase 2*
Conducted by BRAP Inc., 2015
(November 03, to 05, 2022)
- *Genome Sequence Analysis for Respiratory Pathogen Biosurveillance*
Conducted by University of the Philippines Philippine Genome Center
(October 10, to 14, 2022)
- *A Practical Guide for SARS-CoV-2 Whole Genome Sequencing*
Conducted by COVID-19 Genomics Global Training
(September 07, to October 06, 2022)
- *Training on Biosafety Precautions and Molecular Detection of Monkeypox Virus by Real-Time PCR*
Conducted by Research Institute for Tropical Medicine
(August 30, to 31, 2022)
- *Standard First Aid Training*
Conducted by Baguio General Hospital and Medical Center
(August 11, to 13, 2022)
- *Field Management Training Program*
Conducted by Department of Health Epidemiology Bureau
(August 16, 2021 to July 29, 2022)
- *Biosecurity Risk Assessment and Mitigation Training Phase 1*
Conducted by BRAP Inc., 2015
(July 20, to 22, 2022)
- *Online Course on Infection Prevention and Control for COVID-19 (For frontline healthcare workers in facility)*
Conducted by Department of Health Policy and Systems Development Team
(June 29, 2022)
- *Online Training on Basic Epidemiology*
Conducted by Department of Health Human Resource Development Bureau
(June 25, to 27, 2022)
- *Strategic Policy Communication Training for Biosecurity Professionals*
Conducted by CRDF Global
(June 15, to June 16, 2022)

- *Laboratory Quality Management System Online Training*
Department of Health
(May 20, 2022)
- *Field Management Training Program (FMTP) Course: 2nd Mentoring/Supervisory Session*
Conducted by Department of Health – Epidemiology Bureau
(May 11, 2022 to May 13, 2022)
- *Local Risk Assessment*
Conducted by Public Health Agency of Canada
(April 05, 2022)
- *Field Management Training Program (FMTP) Course Track 1, Module 2: Health Program Planning Workshop*
Conducted by Department of Health – Epidemiology Bureau
(February 28, 2022 to March 04, 2022)
- *Training of DOH-Subnational Laboratories on SARS-CoV-2 whole genome sequencing using Oxford Nanopore Technology Minion, Basic Meta- and Sequence data management*
Conducted by Research Institute for Tropical Medicine
(December 02, 2021)
- *Field Management Training Program Course 1st Mentoring Session*
Conducted by Department of Health - Epidemiology Bureau
(November 10, to 12, 2021)
- *Training of Trainers for the Certification Training on Proper Specimen Collection of Nasopharyngeal swab and Oropharyngeal swab samples*
Conducted by Research Institute for Tropical Medicine
(October 18, to 19, 2021)
- *Field Management Training Program Track 1: Module 1*
Conducted by Department of Health Center for Health Development – Epidemiology Bureau.
(August 16, to 20, 2021).
- *Online Orientation on Internal Audit for Clinical/Medical Laboratories under ISO 15189*
Conducted by Department of Trade and Industry.
(December 10, to 11, 2020).
- *Training of DOH-Subnational Laboratories' Staff on the Screening Test of COVID-19 by Real Time PCR*
Conducted by Research Institute for Tropical Medicine.
(March 04, to 06, 2020).
- *THE ROLE OF DIAGNOSTICS IN THE ANTIMICROBIAL RESISTANCE RESPONSE*
Conducted by LONDON SCHOOL OF HYGIENE & TROPICAL MEDICINE.
(September 24, 2019 to October 02, 2019).
- *2nd National Emerging and Re-emerging Infectious Diseases (EREID) Program Hospital/Health Facility Forum*
Conducted by Disease Prevention and Control Bureau Department of Health.
(September 24, 2019 to 26, 2019).
- *Influenza Surveillance, Preparedness, and Response System in the Philippines: Stakeholder's Consultative Meeting and Workshop*
Conducted by Disease Prevention and Control Bureau Department of Health.
(September 24, 2019 to 26, 2019).

- *Ambulatory Home Infusion Therapy for Cancer and Molecular Profiling*
Conducted by Oncology-Palliative Department Baguio General Hospital and Medical Center
(July 5, 2019)
- *Government Procurement Reform Act (R.A. 9184) and its Revised IRR and Updates*
Conducted by Association of Government Internal Auditors, Inc.
(June 26, to 28, 2019)
- *Meeting of the Committee on Antimicrobial Resistance Surveillance of the Department of Health*
Conducted by Research Institute for Tropical Medicine
(May 21, to 22, 2019)
- *Basic Epidemiology Training*
Conducted by Department of Health Cordillera Administrative Region
(February 18, to 22, 2019)
- *Integrated Disease Surveillance Training*
Conducted by Department of Health Cordillera Administrative Region
(February 18, to 22, 2019)
- *Training on Nucleic Acid Amplification Test Loop-Mediated Isothermal Amplification*
Conducted by Research Institute for Tropical Medicine
(November 13, to 14, 2018)
- *HIV Proficiency Refresher Course*
Conducted by San Lazaro Hospital STD/AIDS Cooperative Central Laboratory
(November 09, 2018)
- *Training of Laboratory Staff Trainers on Laboratory Action Plan*
Conducted by Department of Health Cordillera Administrative Regional Office
(July 24, to 25, 2018)
- *Detection of Resistance Mechanisms among Aerobic Bacteria and Data Management using WHONET Program*
Conducted by Research Institute for Tropical Medicine
(April 02, to 13, 2018)
- *BASIC LIFE SUPPORT PROVIDER COURSE*
Conducted by Baguio General Hospital and Medical Center
(February 28, 2018)
- *Biorisk Management Training Workshop*
Conducted by Research Institute for Tropical Medicine
(November 23, to 24, 2018)
- *Multimedia-based Monitoring System of Medical Technologists trained on Integrated Microscopy*
Conducted by University of the Philippines (College of Public Health)
(October 23, to 24, 2017)
- *Second Semester Interagency Task Force Meeting*
Conducted by Department of Health (Cordillera Administrative Regional Office)
(September 08, 2017)
- *Transportation of Infectious Substances*
Conducted by Malaysian Biosafety and Biosecurity Association
(July 27, 2017)

- *Training on Vector Control for Outbreak Response*
Conducted by Department of Health (Cordillera Administrative Regional Office)
(June 28, to 29, 2017)
- *The Committee on Antimicrobial Resistance Surveillance*
Conducted by Research Institute for Tropical Medicine
(May 25, to 26, 2017)
- *Final Critiquing of RITM Manual for Specimen Collection, Transport, and Referral during Infectious Disease Outbreak Response*
Conducted by Research Institute for Tropical Medicine
(April 06, to 07, 2017)
- *1st Annual Meeting of RITM Surveillance Stakeholders and Partners*
Conducted by Research Institute for Tropical Medicine
(April 05, 2017)
- *Program Implementation Review of the National Emerging and Re-emerging Infectious Diseases Program*
Conducted by Research Institute for Tropical Medicine
(March 08, to 10, 2017)
- *Advanced Biorisk Officers' training 4*
Conducted by University of the Philippines (Institutional Biosafety and Biosecurity Committee)
(November 21, to December 02, 2016)
- *Basic Microbiology and Antimicrobial Susceptibility testing*
Conducted by Baguio General Hospital and Medical Center
(October 10, to November 04, 2016)
- *RITM 7th Postgraduate Course on the Laboratory Diagnosis of Infectious Diseases*
Conducted by Research Institute for Tropical Medicine
(March 17, to 18, 2016)
- *RITM LabCon Laboratory Biosafety Pre-Conference Laboratory Workshop*
Conducted by Research Institute for Tropical Medicine
(March 16, 2016)
- *Proper Collection of Nasopharyngeal and Oropharyngeal Swab for Severe Acute Respiratory Infection Surveillance*
Conducted by Research Institute for Tropical Medicine
(December 01, 2015)
- *New Vaccine Preventable Disease Surveillance*
Conducted by Department of Health (Epidemiology Bureau)
(November 23, to 27, 2015)
- *1st Training Workshop on the Laboratory Diagnosis of Invasive Bacterial Diseases*
Conducted by Research Institute for Tropical Medicine
(September 28, to October 02, 2015)
- *Workshop on Establishment of Sentinel Surveillance For Severe Acute Respiratory Infections in the Philippines*
Conducted by Research Institute for Tropical Medicine
(March 12-13, 2015)
- *1st Training Workshop for the Clinical Management And Laboratory Diagnosis of Dengue*
Conducted by Research Institute for Tropical Medicine
(November 24-28, 2014)

- *Intensive Training on Recognition and Management Of Common Skin Diseases and Leprosy*
Conducted by Research Institute for Tropical Medicine
(November 24-28, 2014)
- *1st Training Course on Subnational Laboratories On Molecular Diagnosis of Emerging and Re-emerging Diseases*
Conducted by Research Institute for Tropical Medicine
(November 11-21, 2013)
- *Training of Trainers for Integrated Microscopy*
Conducted by College of Public Health, University of the Philippines
(May 27, to June 1, 2013)
- *10th Practical Laboratory Diagnosis of Parasitic Diseases of Public Health Importance in the Philippines*
Conducted by Research Institute for Tropical Medicine
(April 22- 26, 2013)
- *Molecular Detection of Influenza A and PCR Laboratory Management*
Conducted by Research Institute for Tropical Medicine
April 23 to 25, 2012
- *Intensive Training Course on Malaria Microscopy*
Conducted by Research Institute for Tropical Medicine
(November 7 to 11, 2011)
- *TB Culture Training*
Conducted by Research Institute for Tropical Medicine
(August 17 to September 04, 2009)
- *Basic Sputum Microscopy*
Conducted by Department of Health-CAR
(September 4 to 8, 2006)
- *Basic Customer Service Skills Training*
Conducted by Baguio General Hospital and Medical Center
(November 23 to 25, 2005)
- *Proficiency Training for HIV and Other Blood Borne Sexually Transmitted Infections*
Conducted by SACCL Building, San Lazaro Hospital
(July 31 to August 08, 2003)
- *Business Software*
Conducted by AMA Computer Learning Center
(April 19 to May 28, 1993)

Seminars Attended

- *Stress Management and Mental Health Awareness*
Conducted by Baguio General Hospital and Medical Center -Molecular Biology Laboratory-Subnational Laboratory
(December 14, 2022)
- *How to Deal with Difficult Clients*
Conducted by Baguio General Hospital and Medical Center -Molecular Biology Laboratory-Subnational Laboratory
(November 07, 2022)
- *Awareness on ISO 15189 - Medical laboratories Requirements for quality and competence*
Conducted by Department of trade and Industry - Philippine Accreditation Board
(October 20, 2022)

- *Awareness on ISO/IEC 17043 - Conformity assessment General requirements for proficiency testing*
Conducted by Department of trade and Industry - Philippine Accreditation Board
(October 19, 2022)
- *Orientation on ISO/IEC 17025:2017 - General requirements for the competence of testing and calibration laboratories*
Conducted by Department of trade and Industry - Philippine Accreditation Board
(October 18, 2022)
- *Orientation on ISO/IEC 17020 - Conformity Assessment Requirements for the operation of various types of bodies*
Conducted by Department of trade and Industry - Philippine Accreditation Board
(October 17, 2022)
- *5th Annual Convention and 3rd International Forum*
Conducted by BRAP Inc., 2015
(September 01, to 03, 2022)
- *Culminating Program of the No Smoking Month*
Conducted by Baguio General Hospital and Medical Center
(June 30, 2022)
- *Introduction to Workloads Indicators of Staffing Needs*
Conducted by Department of Health Human Resource Development Bureau
(June 29, 2022)
- *Sexual Health, Human Sexuality, and Gender*
Conducted by Baguio General Hospital and Medical Center
(June 21, 2022)
- *The Role of Filipino Civil Society in Promoting Biological Security and Biosafety Practices Workshop*
Conducted by CRDF Global
(June 21, 2022)
- *COVID-19 Laboratory Network Project Management Unit 2021 Year-end Program Implementation Review and 2022 Mid-year Program Implementation Review*
Conducted by Department of Health
(June 1, to June 3, 2022)
- *Online Course on Healthcare Waste Management*
Department of Health
(May 24, 2022)
- *Forum cum Orientation on the Philippine Organ Donation and Transplantation Program among BGHMC Employees*
Conducted by Baguio General Hospital and Medical Center
(April 26, 2022)
- *Laboratory Emergency Planning*
Conducted by Baguio General Hospital and Medical Center
(April 22, 2022)
- *8th International Sysmex Scientific Seminar Sysmex Transfusion Medicine: Donor, Patients, Our Solutions.*
Conducted by Sysmex
(March 15, 2022)

- *8th International Sysmex Scientific Seminar Advances in the Evaluation and Management of Haematolymphoid Malignancies*
Conducted by Sysmex
(March 14, 2022)
- *CFX96 DX REAL-TIME PCR SYSTEM*
Conducted by Lifeline Diagnostics
(February 14, 2022)
- *Meeting on the Biosurveillance Guidelines for Returning Overseas Filipinos*
Conducted by Department of Health - Epidemiology Bureau
(November 10, 2021)
- *Web-based Molecular Information System*
Conducted by I.T. Easy Software Solutions Inc.
(December 22, 2021)
- *Meeting with Laboratories on Changes in Biosurveillance Processes*
Conducted by Department of Health - Epidemiology Bureau
(September 22, 2021)
- *“COPING WITH COVID 19: NAVIGATING MENTAL HEALTH IN THE MIDST OF PANDEMIC”*
Conducted by Department of Health Center for Health Development – CAR
(August 27, 2021).
- *Brief Tobacco Intervention*
Conducted by Baguio General Hospital and Medical Center – Public Health Unit.
(June 08, 2021).
- *Prevention, identification and management of infections in health workers in the context of COVID-19*
Conducted by World Health Organization.
(June 08, 2021).
- *Standard precautions: The role of personal protective equipment (PPE)*
Conducted by World Health Organization.
(June 08, 2021).
- *COVID-19: Operational Planning Guidelines and COVID-19 Partners Platform to support country preparedness and response*
Conducted by World Health Organization.
(June 08, 2021).
- *“Orientation on Universal Health Care: Alamin mo, Kasama ka ditto!”*
Conducted by Baguio General Hospital and Medical Center – Public Health Unit.
(May 04, 2021).
- *Occupational health and safety for health workers in the context of COVID-19*
Conducted by World Health Organization.
(April 28, 2021).
- *Clinical management of patients with COVID-19 – General considerations*
Conducted by World Health Organization.
(March 13, 2021).
- *Biological and Chemical Safety Awareness*
Conducted by ESCO Sciences Group.
(March 12, 2021).
- *23rd Anniversary Virtual Conference of the National Institutes of Health*
Conducted by University of the Philippines.
(March 02, 2021).

- *“Advanced Urinalysis Aided by Artificial Intelligence”*
Conducted by Philippine Society of Medical Laboratory Scientists Inc.
(November 28, 2020).
- *Healthy Ageing Amidst the Pandemic*
Conducted by Baguio General Hospital and Medical Center - Public Health Unit.
(November 27, 2020).
- *Official Endorsement of Training Materials for the RITM-MBL Training Workshop for SARS-CoV-2 Detection by Real-Time PCR to the DOH Subnational Laboratories*
Conducted by Research Institute for Tropical Medicine
(November 09, 2020).
- *The Science Behind Blood Collection Tube and Tube Validation*
Conducted by Webcast.
(September 18, 2020).
- *Kingfisher Flex Automated Purification System and MagMAX Viral/Pathogen Nucleic Acid Isolation Kit, and BindIt Software v4.0 (Training for Operator)*
Conducted by MEDTEST.
(September 03, 2020).
- *Basic microbiology*
Conducted by World Health Organization.
(August 15, 2020).
- *WHO COVID-19 Mass Gatherings Risk Assessment Training*
Conducted by World Health Organization.
(August 12, 2020).
- *Infection Prevention and Control for COVID-19 Virus*
Conducted by World Health Organization.
(August 12, 2020).
- *eProtect Respiratory Infections (EN)*
Conducted by World Health Organization.
(August 10, 2020).
- *Emerging respiratory viruses, including COVID-19: methods for detection, prevention, response and control*
Conducted by World Health Organization.
(August 08, 2020).
- *Biological Safety Awareness Seminar*
Conducted by ESCO Biosafety Institute
(October 10, 2018)
- *Antimicrobial Resistance Surveillance Program Scientific Forum*
Conducted by Research Institute for Tropical Medicine
(May 30, 2018)
- *Meeting of the Committee on Antimicrobial Resistance Surveillance of the Department of Health*
Conducted by Research Institute for Tropical Medicine
(May 30, 2018)
- *RA 9184: Government Procurement Reform Act*
Conducted by Baguio General Hospital and Medical Center
(February 20, 2018)

- *Patient Safety as an Ethical and Legal Responsibility*
Conducted by Baguio General Hospital and Medical Center
(January 29, 2018)
- *53rd PAMET Annual Convention*
Conducted by Philippine Association of Medical Technologist
(November 21, to 23, 2017)
- *Bio-Rad CFX96 IVD Real Time PCR Detection System*
Conducted by LIFELINE DIAGNOCTICS SUPPLIES, INC.
(November 15, 2017)
- *Training on VITEK 2 Compact 60*
Conducted by TNC EVERLIGHT Philippines, Inc.
(September 08, 2017)
- *Stress Management*
Conducted by Baguio General Hospital and Medical Center
(August 29, 2017)
- *Philippine Integrated Disease Surveillance and Response Consultative Workshop*
Conducted by Baguio Health Services Office
(December 10, 2014)
- *A Distinguished Past... the Legacy Continues Sustaining Excellence in Medical Laboratory Practice*
Conducted by 50th PAMET Annual Convention
(December 1-3, 2014)
- *New Vaccine Preventable Disease Surveillance Program Implementation Review*
Conducted by National Epidemiology Center Department of Health
(November 3-7, 2014)
- *Refresher Course on HIV Proficiency and other Blood-borne STIs*
Conducted by PAMET Pangasinan Chapter
(August 15, 2014)
- *Cepheid GenXpert® Systems Lecture and Hands-on Workshop*
Conducted by Cepheid GenXpert
(April 9, 2013)
- *Social Media and Fake News*
Conducted by University of Baguio - Graduate School
(January 23, 2013)
- *Unfolding Opportunities through Technology Innovations*
Conducted by 47th PAMET Annual Convention
(November 30 to December 2, 2011)
- *Workshop on HPV and CYTOLOGY Techniques*
Conducted by 47th PAMET Annual Convention
(November 30, 2011)
- *Advocacy and Partnership in Biosafety and Biosecurity in the Philippines*
Conducted by Philippines Biosafety and Biosecurity Association, Inc.
(November 25 to 26, 2011)
- *Refresher Course on HIV Proficiency and other Blood-borne STIs*
Conducted by STD AIDS Cooperative Central Laboratory
(September 01, 2011)

- *Standardization of Staining Techniques/Procedures for Gram Stain, Acid Fast Stain and KOH Smear*
Conducted by Philippine Council for Quality Assurance in Clinical Laboratories
(June 25, 2011)
- *Scientific Lecture on Blood Center Model, Step By Step Approach in Transfusion Reaction Investigations, A Closer Look at Doing Things Right and Newborn Screening*
Conducted by 2nd Quarter PAMET CMTE Seminar
(June 27, 2010)
- *Laboratory Management: Best Practices and Rapid Detection of Dengue IgA Antibodies*
Conducted by Philippine Association of Medical Technologist
(April 23, 2010)
- *Roadmapping the Future on Medical Technology*
Conducted by 44th PAMET Annual Convention
(December 9 to 11, 2008)
- *Updates in Blood Banking and Transfusion Medicine*
Conducted by Philippine Blood Coordinating Council
(March 28, 2008)
- *3rd Postgraduate Course Laboratory Diagnosis of Infectious Diseases*
Conducted by Research Institute for Tropical Medicine
(March 12 to 14, 2008)
- *Medical Technologists: Going Beyond Expectations*
Conducted by 43rd PAMET Annual Convention
(November 28 to 30, 2007)
- *Professional Excellence and the Role of Medical Technologists as Leaders*
Conducted by Philippine Association of Medical Technologist
(September 29 to 30, 2007)
- *TB Diagnosis and American Society of Clinical Pathologists*
Conducted by Philippine Association of Medical Technologist
(September 7, 2006)
- *9th Coagulation Workshop*
Conducted by The Philippine National Hemophilia Center Foundation Inc.
(March 30-31, 2006)
- *Sustaining Organizational Dynamism Amidst Challenges*
Conducted by 41st Annual PAMET Convention
(December 12 to 14, 2005)
- *Quality System in Blood Banking*
Conducted by Philippine Association of Medical Technologist
(October 02, 2005)
- *Orientation/Symposium on Rational Blood Use*
Conducted by Department of Health CARO
(June 21 to 23, 2005)
- *Recent Developments and Future Directions In the Practice of Pathology*
Conducted by St. Luke's Medical Center
(April 18, 2005)

- *Meningococemia*
Conducted by Philippine Association of Medical Technologist
(March 13, 2005)
- *Blood Transfusion Related Reactions*
Conducted by Philippine Association of Medical Technologist
(October 03, 2004)
- *Basic Occupational Safety in the Workplace*
Conducted by Philippine Association of Medical Technologist
May 11, 2003
- *Implementing Rules and Regulations on the Accreditation of Drug Testing Laboratories*
Conducted by Philippine Association of Medical Technologist
(February 16, 2003)
- *Updates on Phlebotomy*
Conducted by Philippine Association of Medical Technologist
(July 01, 2001)

Professional Qualification

Registered Medical Technologist, Philippines
PRC License No. 0043926

Certified Biosafety Officer
University of the Philippines-Manila

Professional Certification in Biorisk Management
**International Federation of Biosafety Associations
Canada**

Professional Certification in Biosafety Cabinet Selection, Installation, and Safe Use
**International Federation of Biosafety Associations
Canada**

Good Clinical Practice
NIDA Clinical Trials Network

Infectious Substances Shipping Guidelines
International Air Transport Associations

Summary of Duties

A. Medical Technologist IV

Baguio General Hospital and Medical Center
06/16/2020 to Present

- **Section Manager of Molecular Biology Laboratory (January 01, 2019 up to present)**
- Processes viral detection of Dengue, ZIKA, Chikungunya, MersCoV, Avian flu, Human Influenza and other Influenza like illnesses and its subtypes through Real Time PCR
- Performs Dengue detection through NAAT LAMP procedures
- Actively participates in the Hospital Surveillance being the member of the committee
- Evaluates and ensures that the laboratory equipment, and laboratory supplies are properly scrutinized before purchasing
- Appointed as the Biosafety Chair of the Department of Pathology
- See the overall operation of the Molecular Biology Laboratory
- Ensures that the biosafety and biosecurity is observed at all times.
- Trains other staff in the processes of the laboratory
- Performs AH1N1 and its subtypes PCR test for suspected patients and carriers
- Formulated a manual of procedures for Biosafety and Biosecurity.
- Handles infectious diseases like meningococemia, COVID-19, etc

B. Medical Technologist III

Baguio General Hospital and Medical Center

10/1/2015 to 06/15/2020

- **Section Manager of Molecular Biology Laboratory (January 01, 2019 up to present)**
- Processes viral detection of Dengue, ZIKA, Chikungunya, MersCoV, Avian flu, Human Influenza and other Influenza like Illnesses and it's subtypes through Real Time PCR
- Performs Dengue detection through NAAT LAMP procedures
- Actively participates in the Hospital Surveillance being the member of the committee
- Member of the Infectious Control Committee of the institution
- Assigned as the Biosafety Officer of the Hospital through Patient Care Committee
- Evaluates and ensures that the hospital equipment, laboratory supplies are properly scrutinized before purchasing as a member of Bids and Awards Committee of the institution
- Appointed as the Biosafety Chair of the Department of Pathology
- See the overall operation of the Molecular Biology Laboratory
- Ensures that the biosafety and biosecurity is observed at all times.
- Trains other staff in the processes of the laboratory
- Performs AH1N1 and its subtypes PCR test for suspected patients and carriers
- Formulated a manual of procedures for Biosafety and Biosecurity.
- Handles infectious diseases like meningococemia, COVID-19, etc

- **Section Manager of Microbiology (from January 03, 2016 to December 31, 2018)**
- Supervises the processes involving bacterial cultures, storage, and disposal
- Actively participates in the Hospital Surveillance being the member of the committee
- Member of the Infectious Control Committee of the institution
- Assigned as the Biosafety Officer of the Hospital through Patient Care Committee
- Evaluates and ensures that the hospital equipment, laboratory supplies are properly scrutinized before purchasing as a member of Bids and Awards Committee of the institution
- Appointed as the Biosafety Chair of the Department of Pathology
- See the overall operation of the Microbiology section
- Ensures that the biosafety and biosecurity is observed at all times.
- Trains other staff in the processes of the laboratory
- Supervise Medical Technology Interns
- Performs Quality Controls to all laboratory equipment
- Evaluates standard operating procedures for Microbiology section of the laboratory for ISO accreditation.

C. Medical Technologist II

Baguio General Hospital and Medical Center

03/16/2014 to 09/30/2015

- Assists the Microbiology Section Manager
- Performs the processes in the section
- Trains junior staff in the section
- Ensures that the biosafety and biosecurity is observed at all times.
- Supervise Medical Technology Interns
- Performs Quality Controls to all laboratory equipment
- Performs Tb Microscopy and Tb culture
- Trained to screen blood donors from physical examination up to blood screening for sexually transmitted infection
- Performs AH1N1 and its subtypes PCR test for suspected patients and carriers
- Formulated a standard operating procedures for Physical, Biologic hazards, Biological Spills and Personal Protective Equipment in the laboratory for ISO accreditation.

D. Medical Technologist I

Baguio General Hospital and Medical Center

January 3, 2013 to Present

- Handles all the sections in the laboratory, performing the different assays requested by the physicians in our hospital or out of the hospital.
- Supervise Medical Technology Interns
- Performs Tb Microscopy and Tb culture
- Trained to screen blood donors from physical examination up to blood screening for sexually transmitted infection
- Performs Quality Controls to all laboratory equipments
- Performs AH1N1 and its subtypes PCR test for suspected patients and carriers
-

E. Laboratory Technician 1

(Job Description: Medical Technologist)

Baguio General Hospital and Medical Center

July 08, 2005 to January 2, 2013

- Supervises the Medical Technology Interns and teach them the proper procedures in every test we run in the laboratory.
- Assigned to all sections of the laboratory as floaters in performing the different assays requested by the physicians in our hospital or out of the hospital.
- Meningococemia is also my line of assignment in sample collection, and processing.
- Handles TB Microscopy and TB culture
- Trained also to perform laboratory tests procedures for the screening of blood donors

F. Laboratory Aide II

(Job Description: Medical Technologist)

Baguio General Hospital and Medical Center

June 03, 2004 to July 07, 2005

- Supervise the Medical Technology Interns and teach them the proper procedures in every test we run in the laboratory.
- I am assigned to all sections of the laboratory as floater in performing the different assays requested by the physicians in our hospital or out of our hospital.
- Meningococemia is also my line of assignment in sample collection, and processing.

G. Chapter Staff Representative for Blood Programs
