

# RON CASTILLO GONDA

Address : #030 Sto. Nino, Mabini, Batangas  
Mobile NO. : 0956 – 245 – 8989  
Email address : [rongonda25@gmail.com](mailto:rongonda25@gmail.com)

---

**POSITION APPLIED FOR: MACHINIST / FITTER / BOILERMAKER / WELDER FABRICATOR**

---

## **OBJECTIVES**

To pursue a rewarding career in a fast-growing company, where I can develop myself in a competitive environment, utilize my values and promote efficiency, teamwork, and professionalism.

---

## **WORK EXPERIENCE**

Company : **Mitsubishi Power Philippines Inc.  
(formerly Babcock Hitachi Philippines Inc.)  
(formerly Mitsubishi Hitachi Power System)**

Address : San Roque, Bauan, Batangas

Position : Machinist/Fitter

Inclusive Date : February 12, 2013 up to present

### Duties and Responsibilities

- Studies blue prints, sketches, drawing manuals specifications or sample part to determine dimensions and tolerance of finished work piece, sequence of operators, and setup requirements.
- Measures marks and scribes dimensions and reference point on materials or work piece as guides for subsequent machining.
- Understand fabrication drawing, preparation of machining data (header drilling/EP), work instruction, applicable fabrication procedure standard and project budget plan.
- Operates conventional lathe machining, milling machining shapering, radial drilling manual edge preparation (small and large bore) and horizontal boring/machining.
- Can do gas cutting operation, bandsaw cutting operation, jigs preparation, drill bit/tool bit preparation, grinding operation, qualified to do Smaw Tack Welding and to operate the gantry cane.
- Watches/checks machine parts or other indicators to make sure a machine is working properly and repair machines or system using the needed tools and jigs.
- Knowledge of mechanics, shop mathematics, metal properties, lay out and machining procedures.
- Operates manual and NC edge preparation machine, pneumatic machine, and cold cutting machine.
- Performing edge preparation such as AATb and Bevel cut.
- Perform machine-forming operations.
- Makes the machine production ready.
- Fits-up pressure to pressure parts and attachment layout.
- Perform grinding works, hydro and inside cleaning, and capping works.
- Perform material allocation and gas cutting using gas cutting tools.
- Operates speed cutter machine, circular saw, chain block and lever block.
- Have basic technique and knowledge to do job with other support and a good job without assistance efficiently.
- Tool basic usage, daily maintenance and watching gauges, dials, or other indicators to make sure a machine is working properly.
- Riging works, transferring of tube/materials and other machine parts while setting it up using overhead crane.
- Fabrication of jigs which will be used as stocker/storage of tubes or materials.

- Full welding of membrane bar to tube and coil panel using GMAW and FCAW process in all position.
- Welding structural support and frames for block piping using SMAW process.
- Prepare all materials surfaces to be welded, ensuring that these is no loose or thick scale, slag, rust, moisture grease, or other foreign matter.
- Operate manual and automatic radial gas cutting.
- Perform initial usual inspection and detecting defects prior to final inspection of welds.
- Perform tack welding and full welding using SMAW/GMAW/FCAW/ and GTAW process.

Experience:

- Urgent Local Project
- On Call Duty or rendering straight working hours to Urgent Local
- Following Company Rules and Regulation
- Maintaining Health and Safety Practices
- Working Under Pressure
- Daily target output with Quality ang Quantity
- Working Under Limited Time
- Working at Site Project (Power Plant)

Company : **Riyadh Military Hospital  
(Zahran Operation & Maintenance)**  
 Address : Riyadh, Saudi Arabia (KSA)  
 Position : Machinist  
 Inclusive Date : September 2010 to September 2012

Duties and Responsibilities

- Calculates and sets control to regulate machining factors such as speed, feed, coolant flow and depth and angle to cut or enters command to retrieve, input, or edit computerized machine control media.
- Starts and observes machine operators to detect malfunctions or out-of-tolerance machining, and adjusts machine controls or control media as required.
- Verifies conformance of finished work piece to specifications.
- Setup and operates machine on trial run to verify accuracy of machine settings or programmed control data.
- Perform basic machining for the purpose of parts modification by operating various tools.
- Operates drill press, hydraulic press, pipe threading, bench grinder, cutting torch, band saw and overhead crane.
- Machining of impeller ang mechanical seal of pump.
- Disassemble pumps for repair.
- Installation and removal of pump equipment in the field ang basement area.
- Checking, repair and installing of valve and nozzle of the fire hydrant.
- Aligning of the motor pump.
- Repairing of boiler and chiller.

Company : **PL Batangas Steel Corporation**  
 Address : Mainaga, Mabini, Batangas  
 Position : Machinist  
 Inclusive Date : July 7, 2006 to July 22, 2010

Duties and Responsibilities

- Fits and assembles part into complete assembly.
- Verifies dimensions and alignment of assemble.

- Confers with engineers, production personnel, programmers of others to resolve machining or assemble problems.
- Perform all task in a safe ang responsible manner.
- Read ang interprets blueprints.
- User gage ang measuring instruments to meet tolerance requirements
- Using precision tools, machinery ang equipment such as lathe machine, milling machine, drill press, hydraulic press, band saw, hand tools, power tools and a variety of cutting equipment.
- Perform daily and regular cleaning ang light maintenance task on machinery and equipment.
- Fabricate and machining of covey or, pillow block, rollers, shafting, etc.
- Machining of rolling mill.

### **ON-THE-JOB TRAINING**

Machinist  
Keppel Shipyard Philippines  
Bolo, Bauan, Batangas  
February 15 to May 6, 2006

### **EDUCATIONAL ATTAINMENT**

#### **VOCATIONAL COURSE**

##### **Machine Shop**

Technical Education and Skills Development Authority (TESDA)  
P. Herrera St., Batangas City, Batangas  
June 20, 2005 to February 28, 2006

**SECONDARY** : Anselmo A. Sandoval Memorial National  
High School (AASMNHS)  
1999 – 2003

**PRIMARY** : San Juan – Sto. Nino Elementary School  
1993 – 1999

### **PERSONAL INFORMATION**

Date of Birth	:	April 12, 1986
Place of Birth	:	Mabini, Batangas
Age	:	37 years old
Sex	:	Male
Civil Status	:	Married
Religion	:	Roman Catholic
Height	:	5'5"
Weight	:	70 kgs.
Spouse	:	Ladylyn A. Gonda
Languages/Dialect Spoken	:	English & Tagalog
