Profile

Chemical Engineering graduate with experience in a Textile Industry. Looking to expand my technical skill set in a challenging work environment to contribute to the company. Dedicated, organized and dependable team player.

Experience

LABORATORY CHEMIST | CRAYONS PROCESSING INC. | FEB 2023 – PRESENT

- MATCHING CHEMIST
 - Responsible for achieving the desired color shades on textiles.
- RND CHEMIST
 - Responsible for the analysis of dyestuffs and chemicals for production use.
 - Background on spectrophotometer to capture both color and appearance on a physical sample.
 - Knowledgeable in operating Lab dyeing machines, spectrophotometer, and color-matching software.
 - Prepares and standardizes chemical solutions in compliance with laboratory safety procedures to maintain laboratory safety.
 - Keeps area clean and maintains equipment in good working order.
 - Lessens the repeat analysis by strictly adhering to the SOPs.
- SHIFT CHEMIST TRAINEE
 - Monitor and maintain the quality of textile products throughout the production cycle.
 - Collaborate with production teams to optimize dyeing and other chemical processes.
 - Keeping accurate records of all tests, results and adjustment made.

ADMINISTRATIVE ASSISTANT | PHILIPPINE CHARITY SWEEPSTEAKS OFFICE | APRIL 2021 - DECEMBER 2022

- Handling administrative requests and queries from patients.
- Organizing and scheduling appointments using admin software.
- providing medical assistance to the indigent and financially incapacitated patients.

QUALITY CONTROL INSPECTOR | W.L. FOODS | JUNE 2020 - FEBRUARY 2021

- Conducting tests on both raw materials and finished products to ensure they meet safety and quality standards.
- Examining production processes and outputs to identify any deviations from quality specifications.
- Preparing detailed reports on inspection processes, findings and recommendations for improvements.
- Observed and monitored the line to ensure the production met the targets and adhered to GMP standards.

Education

BACHELOR OF SCIENCE IN CHEMICAL ENGINEERING | JULY 2020 | EULOGIO AMANG RODRIGUEZ INSTITUTE OF SCIENCE AND TECHNOLOGY

Skills & Abilities

- Calibration Skill
- Report Writing
- Safety and proper handling of chemicals
- Strong attention to detail
- Chemical Titration
- Proficient to in Excel and Word
-

Activities and Interests

Art & Travel
