

Adam Ezzard C. Delariarte

Aircraft Maintenance Technician

Professional Summary

Seasoned Aircraft Maintenance Technician with over 20 years of dedicated service in the Philippine Air Force, specializing in fixed-wing aircraft maintenance and safety protocols. Demonstrates a profound capability in leading teams, managing complex maintenance operations, and ensuring adherence to stringent aerospace regulations. Recognized for exceptional service and leadership with multiple military honors, reflecting a commitment to excellence and safety in high-stakes environments. Adept in inventory management and operational logistics, continually seeking innovative methods to enhance efficiency and team performance. Committed to maintaining the highest standards of safety and quality in every facet of aircraft maintenance and operations.

Skills

- **Aircraft Maintenance Proficiency:** Over 20 years of experience specializing in fixed-wing aircraft, with extensive knowledge in maintaining, repairing, and overhauling various aircraft systems and components.
- **Extensive Aviation Expertise:** Over 15 years of specialized experience in fixed-wing aircraft maintenance and operations within the military sector, demonstrating advanced technical proficiency and a deep understanding of aviation standards.
- **Technical Diagnostics:** Advanced ability to troubleshoot and diagnose mechanical issues efficiently, ensuring minimal downtime and optimal aircraft performance.
- **Safety Compliance:** Expert in adhering to aerospace safety protocols and regulations, with a strong focus on workplace safety and preventive measures.
- **Logistical Coordination:** Skilled in managing inventory and logistical requirements to support sustained aircraft operations and maintenance activities.
- **Leadership and Supervision:** Proven leadership abilities in managing maintenance teams, supervising technical personnel, and fostering team learning and development.
- **Communication:** Excellent verbal and written communication skills, adept at coordinating with teams and reporting to higher command, ensuring clear and effective information dissemination.
- **Problem Solving:** Exceptional analytical and problem-solving skills, capable of making critical decisions under pressure to resolve operational challenges.
- **Adaptability and Resilience:** Demonstrated flexibility in adapting to new challenges and resilience in high-pressure situations, maintaining operational integrity and team morale.

Work Experience

Allison B17D Engine Technician, SF260-TP Aircraft, 461st Fixed-Wing Maintenance Squadron, 460 AMG, 15th Strike Wing, Philippine Air Force

August 2009 – June 01, 2024

- Conducted both scheduled and unscheduled maintenance, including assembly installation, disassembly, troubleshooting, testing, and modification of turboprop aircraft engines, propellers, and small gas turbine engines.
- Identified and resolved discrepancies in engine performance using specialized support equipment.
- Performed comprehensive inspections, preventive maintenance, and repairs on turbo propulsion aircraft engines to ensure optimal functionality.
- Supervised and evaluated understudy personnel, enhancing their skills and ensuring high-quality maintenance standards.
- Led continuous improvement initiatives, promoting team learning and development among B17D Specialists.

Maintenance Superintendent, 461st Fixed-Wing Maintenance Squadron, 460 AMG, 15th Strike Wing, Philippine Air Force

January 2020 – March 2022

- Strategically planned, organized, controlled, and directed all squadron personnel in maintenance activities, ensuring optimal operational efficiency.
- Managed and coordinated the logistical requirements for fixed-wing aircraft, ensuring all resources were timely and adequately supplied.
- Oversaw maintenance operations, including monitoring the status of aircraft, personnel, and logistics across various deployment areas within the Philippines.
- Maintained vigilance over the Operational Hazard Report (OHR) system to identify and mitigate risks effectively within the hangar environment.
- Regularly provided comprehensive reports and updates on squadron activities and status to the Commanding Officer, facilitating informed decision-making.
- Championed the implementation of innovative processes to enhance maintenance outcomes and operational excellence.
- Motivated and empowered team members, fostering a positive work environment that aligned with the unit's mission and encouraged peak performance.

Unit's Safety Non-Commissioned Officer-in-Charge, 461st Fixed-Wing Maintenance Squadron, 460 AMG, 15th Strike Wing, Philippine Air Force

August 2018 – November 2022

- Vigilantly monitored workplace safety across engine shops and office areas to ensure a hazard-free environment.
- Ensured compliance with safety protocols by regularly checking and regulating the use of Personal Protective Equipment (PPE) for all personnel.
- Conducted thorough inspections of maintenance activities to confirm adherence to established safety standards.
- Actively disseminated safety guidelines and conducted pre-maintenance safety briefings to reinforce safety awareness among personnel.

Inventory Management Specialist, Office of the Directorate for Logistics, 15th Strike Wing, Philippine Air Force

August 2008 – August 2009

- Monitored and maintained accurate stock levels of aircraft spares to ensure readiness and operational efficiency.
- Assessed and prioritized logistical needs to streamline inventory processes and support maintenance operations.
- Authorized and managed logistical requisitions, ensuring timely procurement and availability of necessary resources.

Education

Bachelor of Science in General Engineering (College Undergraduate)
Western Mindanao State University, Zamboanga City, Philippines
2002 – 2004

Secondary School Diploma
Filipino-Turkish Tolerance School, Zamboanga City, Philippines
1998 – 2002

Trainings

Advance Non-Commissioned Officer Course Non-Commissioned Officer School, Air Education and Training Command, Fernando Air Base, Lipa City, Batangas, Philippines	August 2017 – November 2017
---	-----------------------------

Basic Non-Commissioned Officer Course Non-Commissioned Officer School, Air Education and Training Command, Fernando Air Base, Lipa City, Batangas, Philippines	January 2012 – March 2012
---	---------------------------

Basic Engine Course Maintenance Training Center, 460 th AMG, 15 th Strike Wing, Major Danilo Atienza Air Base, Sangley Point, Cavite City, Philippines	August 2009 – January 2010
Aero-Ground Equipment Maintenance Seminar Maintenance Training Center, 460 th AMG, 15 th Strike Wing, Major Danilo Atienza Air Base, Sangley Point, Cavite City, Philippines	December 2009
Turbo Propulsion Engine Familiarization Course Maintenance Training Center, 460 th AMG, 15 th Strike Wing, Major Danilo Atienza Air Base, Sangley Point, Cavite City, Philippines	December 2009
Basic Crew-Chief Course Maintenance Training Center, 460 th AMG, 15 th Strike Wing, Major Danilo Atienza Air Base, Sangley Point, Cavite City, Philippines	March 2009 – June 2009
Tungsten Inert Gas Welding Seminar Maintenance Training Center, 460 th AMG, 15 th Strike Wing, Major Danilo Atienza Air Base, Sangley Point, Cavite City, Philippines	May 2009
Basic Military Training Course Basic Military Training School, Air Education and Training Command, Fernando Air Base, Lipa City, Batangas, Philippines	March 2004 – October 2004

Awards and Achievements

Plaque of Appreciation, 15th Strike Wing, Philippine Air Force (PAF)

16 June 2024

Awarded in recognition of unblemished loyalty, commitment, and dedication throughout 20 years, 2 months, and 7 days of service.

Marawi Battle Streamer Award, PAF

21 January 2021

Recognized for exemplary service during operations that contributed to the liberation of Marawi City.

Martial Law Citations Badge, PAF

29 October 2020

Presidential Unit Streamer with Ribbon, PAF

27 November 2019

Bronze Cross Medals, PAF

Awarded twice for acts of bravery and service, on *8 April 2019* and *6 November 2013*.

Commandant's Award, PAF Non-Commissioned Officers School, Air Education Training and Doctrine Command

13 March 2012

Seminar Academic Excellence Award, PAF Non-Commissioned Officers School, Air Education Training and Doctrine Command

13 March 2012

Seminar Best Contributor Award, PAF Non-Commissioned Officers School, Air Education Training and Doctrine Command

13 March 2012

Armed Forces of the Philippines Conduct Medal

15 June 2011
