

# AUMAN, KIM LLYOUD P.

## Career Objectives

As an aspiring graduate in mechanical engineering, I don't have any working experience in the mechanical field aside from my On-the-Job Training. However, I am willing to undergo training and I'm willing to be trained. I am eager to join a forward-thinking company where I can apply my academic knowledge and dedication to learning to contribute to projects, improve processes, and develop professionally.
