Dear Sir/Madam,

RE: APPLICATION FOR A LECTURER POSITION IN SOCIAL SCIENCE

I am writing to express my enthusiastic interest in the Lecturer position in Social Science at Malawi Assemblies of God University, as advertised. With a robust academic background in education and business administration, I am eager to contribute to the dynamic academic environment at your esteemed institution.

I hold a Master Degree in Business Administration from Malawi School of Government, (formerly Malawi Institute of Management) where I developed a deep understanding of social theories, research methodologies, and contemporary issues. My background in educational studies has provided me with a solid foundation in teaching methodologies, curriculum design, student assessment, and inclusive classroom environment that encourages critical thinking and active participation, all of which are essential for effective university-level instruction. Combining this educational background with my vast experience in the financial industry and further studies in business enhances my ability to deliver high-quality education and contribute to the academic excellence of Malawi Assemblies of God University.

In addition to my academic qualifications and industrial experience, I bring strong organizational and communication skills, which have been honed through my involvement in financial reporting, audit and risk management. I am confident that my academic background and my professional expertise align well with the goals of Malawi Assemblies

of God University. I am enthusiastic about the opportunity to contribute to the University's mission and to collaborate with your esteemed faculty members.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and passions align with the needs of the University.

Sincerely,

Cedric Sipho Dhlamini
