### PROFILE

Being an educator is incredibly meaningful to me, as it allows me to share my knowledge and passion for learning with both my students and colleagues. I have over 16 years of experience as a primary school teacher in the Philippines and 1 year of teaching experience in North Platte, Nebraska. I dedicated myself to helping students achieve their academic goals. Since I accepted the job of being a Local School Board teacher in a public school elementary in November 2007 and my appointment on March 1, 2010, as a national item, I have taught Science, Mathematics, and other subjects to 4th-grade and 5th-grade students.

### WORK EXPERIENCE

#### *North Platte Public School District - August 2023 to October 2024*

Managed and taught a classroom of 20-25 5th grade students Provide individualized support and maintain communication with parents to discuss student development. Collaborate with colleagues for interdisciplinary projects and participation in professional development.
