Bambang, Pasig City, NCR, Philippines, 1600

EDUCATION

August 2024 - Present
WORLD CITI COLLEGES

- Quezon City, NCR, Philippines
- Master in Hospital Administration

May 2022
PERPETUAL HELP COLLEGE OF MANILA

- Manila, NCR, Philippines
- Bachelor of Science | Radiologic Technology

SKILLS

- Proficient in operating and maintaining imaging equipment.
- Strong focus on patient care and safety.
- Expertise in patient positioning techniques.
- Knowledge of radiation safety protocols and regulations to minimize exposure for patients and staff.
- Effective team collaboration and communication.
- Strong problem-solving skills.

LANGUAGES

- Tagalog: Native
- English: Proficient
- Other: Willing to Learn

SUMMARY

Dedicated and detail-oriented Radiographer with 2 years of experience performing diagnostic imaging procedures, including Digital X-rays, fluoroscopy, mobile X-ray, c-arm imaging, and dental radiography. Proven ability to ensure patient comfort and safety while delivering high-quality images in a fast-paced healthcare environment. Strong technical skills in operating radiographic equipment and a commitment to safety protocols and best practices. Excellent communicator and collaborative team player, skilled in positioning patients accurately to achieve optimal diagnostic results. Eager to expand expertise by learning new imaging modalities and enhancing patient care capabilities.

WORK EXPERIENCE

St. Luke's Medical Center - BGC
Radiographer

JANUARY, 2023 - PRESENT

- Performed various diagnostic imaging modalities, including digital X-ray machine, fluoroscopy, mobile X-ray, c-arm imaging, and dental X-ray.
- Ensured exceptional image quality and adhered strictly to safety protocols and best practices while consistently achieving accurate and high-quality diagnostic results.
- Proficiently positioned patients, prioritizing their comfort and safety.
- Conducted special procedures such as Esophagogram (Barium Swallow), Upper GI Series (UGIS), Small Intestinal Series (SIS), Barium Enema (BE), etc., with meticulous attention to details and patient care throughout each process.

CERTIFICATIONS

- American Resuscitation Council: Basic Life Support | January 2025
- Cultivating Leadership in Radiologic Technology: Navigating Challenges and Opportunities Webinar | October 2024 | Earned 4 CPD Units.
- Enhancing Clinical Outcomes: The Role of AI in Transitioning from Radiographic Data to Meaningful Medical Insights Webinar | October 2024 | Earned 4 CPD Units
- Emotional Intelligence in Healthcare: A Key to Elevating Quality of Health Care and Service Efficiency Webinar | December 2024 | Earned 3.5 CPD
- Prevention and Management of Bloodborne Diseases | October 2024 | Earned 6 CPD Units.
- Health Insurance Portability and Accountability Act (HIPAA) Compliance: A Complete Guide | November 2024.
- Save a Life: Basic Life Support by National Health Care Provider Solutions (NHCPS) | January 2025

PROFESSIONAL AFFILIATIONS

Philippine Association of Radiologic Technologists (PART)
Member

JANUARY, 2023

- Engaged in Continuous professional development and networking opportunities within the radiologic technology field.

International Society of Radiographers and Radiological Technologists (ISRRT)

NOVEMBER, 2024

Member

- Participated in global initiatives to advance radiography standards and practices.

MODALITIES OPERATED

X-RAY

- Ysio Max Machine - Digital Radiography - Siemens
- Carestream DRX Evolution Machine
- Siemens Axioms Iconos r200
- Siemens Axiom Aristos
- Siemens Multix with Vertical Wall Bucky
- Siemens Digital XP mobilette - portable X-ray
- Siemens Mobilette Mira Max - portable X-ray
- Siemens Mobilette Mira - portable X-ray
- Shimadzu MobileDaRt MX8C CE - portable X-ray
- Shimadzu MobileDaRt Evolution - portable X-ray
- Siemens Arcadis Varis C-arm
- Siemens Cios Fusion C-arm
- Codonics Virtua XR
- Vidar Diagnostic Pro

HOSPITAL SYSTEM

- Carestream Picture Archiving Communication Systems (PACS)
- Carestream Vue Motion
- Carestream Database Admin
- Carestream Radiology Information System (RIS)
- Philips Picture Archiving Communication Systems (PACS)
- Philips Vue Motion
- Philips Database Admin
- CITRIX - Electronic Medical Records (EMR)
