PROFESSIONAL SUMMARY:

Dedicated and experienced dairy farmer with over two years of hands-on experience in dairy farming. Skilled in managing day-to-day operations, including feeding, milking, and caring for livestock. Proficient in handling farm equipment, ensuring cleanliness, and adhering to health and safety protocols to maintain a productive environment. Demonstrated ability to identify health issues in livestock and collaborate with veterinarians for appropriate care. A committed individual passionate about sustainable farming and animal welfare, with a focus on maximizing milk production while maintaining high-quality standards.

WORK EXPERIENCE

Ruminos Dairy Farm | Philippines

2019 - 2021

Position: Dairy Farmer

- Managed daily milking operations, ensuring cows were milked on schedule and equipment was cleaned and maintained properly.
- Monitored the health and wellbeing of dairy cows, identifying signs of illness and reporting to veterinary services for prompt care.
- Administered feeding schedules, ensuring cows received the appropriate nutrients and monitored feed intake to ensure overall herd health.
- Assisted with calving, including monitoring pregnant cows and providing hands-on support during births to ensure the safety of both mother and calf.
- Maintained cleanliness and hygiene in barns, milking stations, and other farm facilities to meet health and safety standards.
- Operated farm machinery such as tractors and feeding equipment to assist in daily farm operations.
- Ensured proper storage and handling of dairy products to maintain quality control from farm to market.
- Managed waste disposal systems, ensuring compliance with environmental regulations and farm sustainability efforts.
- Conducted routine maintenance checks on farm equipment, troubleshooting and resolving mechanical issues to prevent downtime.
- Worked collaboratively with farm staff to improve efficiency and overall productivity in the farm's daily operations.
- Documented milk production rates and prepared reports for farm management to track performance and output.
- Participated in training programs to stay updated on the latest techniques in dairy farming and livestock management.
